The honk of a horn,
The screech of a tire,
A major traffic jam,
Smog, crowds of people,
Life in the city;

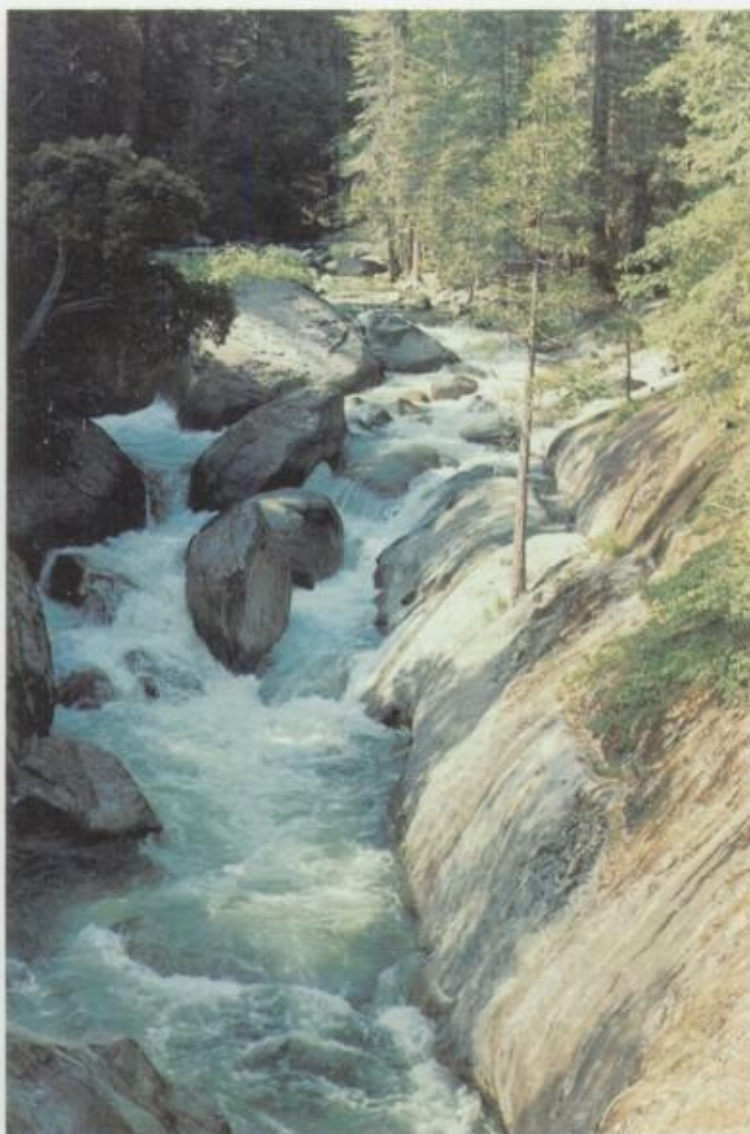

Raben,
 You're a very nice girl.
 Stay like that. Have
 fun in the summer and
 in the coming years.
 Good luck in the
 future and with guys
 too!

Trees stretching
ever skyward,
Streams flowing
crystal clear,
The whistle of
a bird,
The rustling of
leaves,
Blue sky,
solitude,
harmony with
nature.
Life in the
mountains;

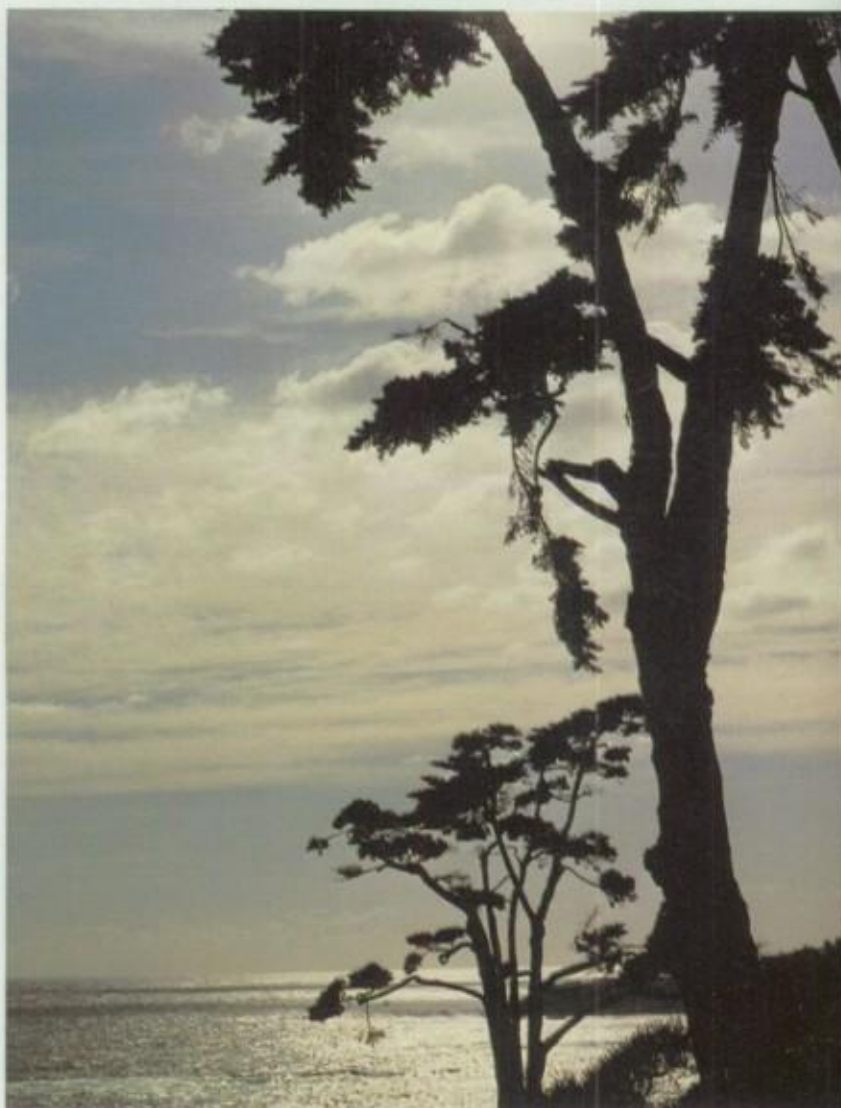

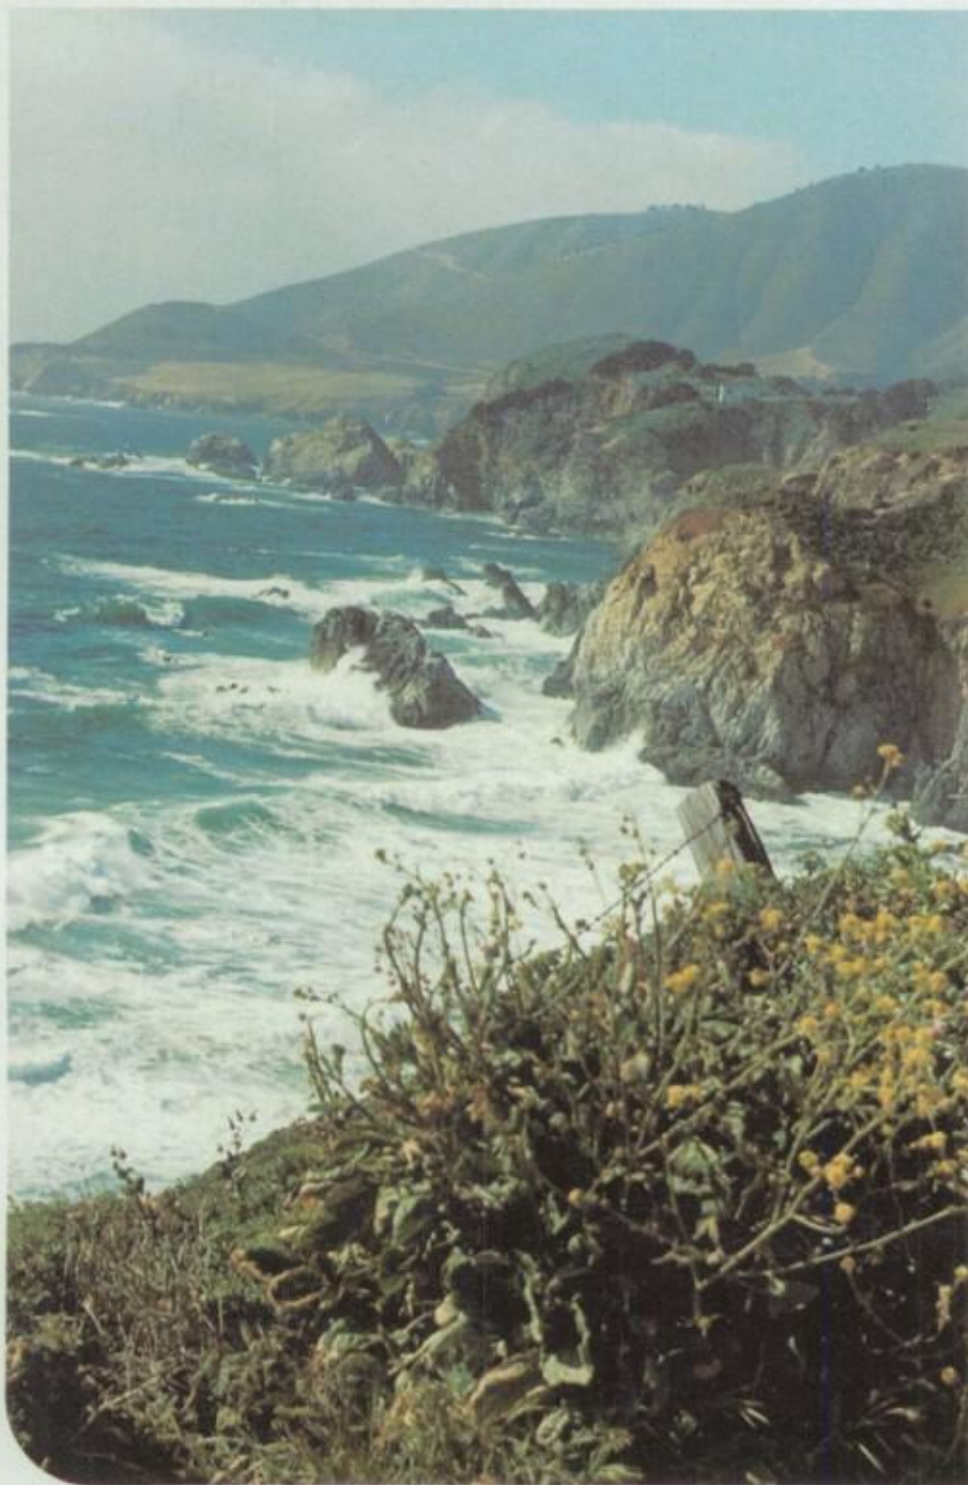

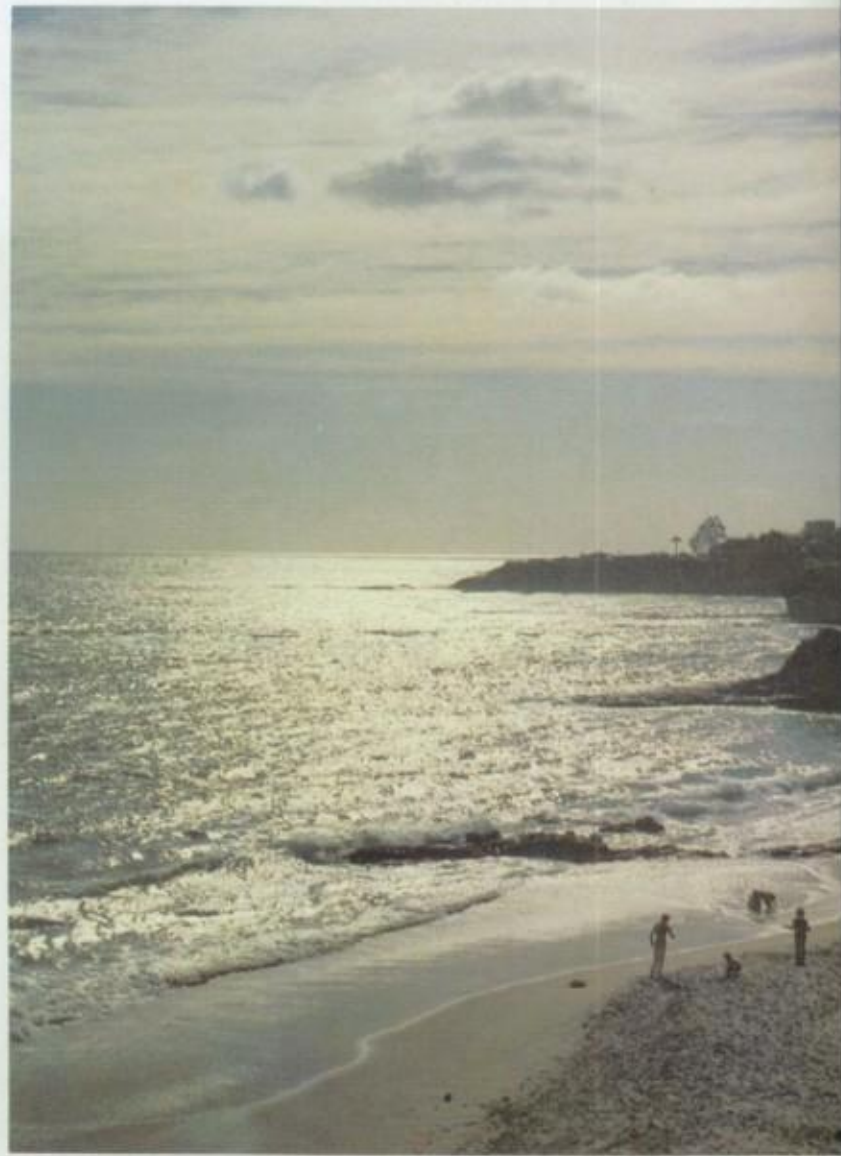

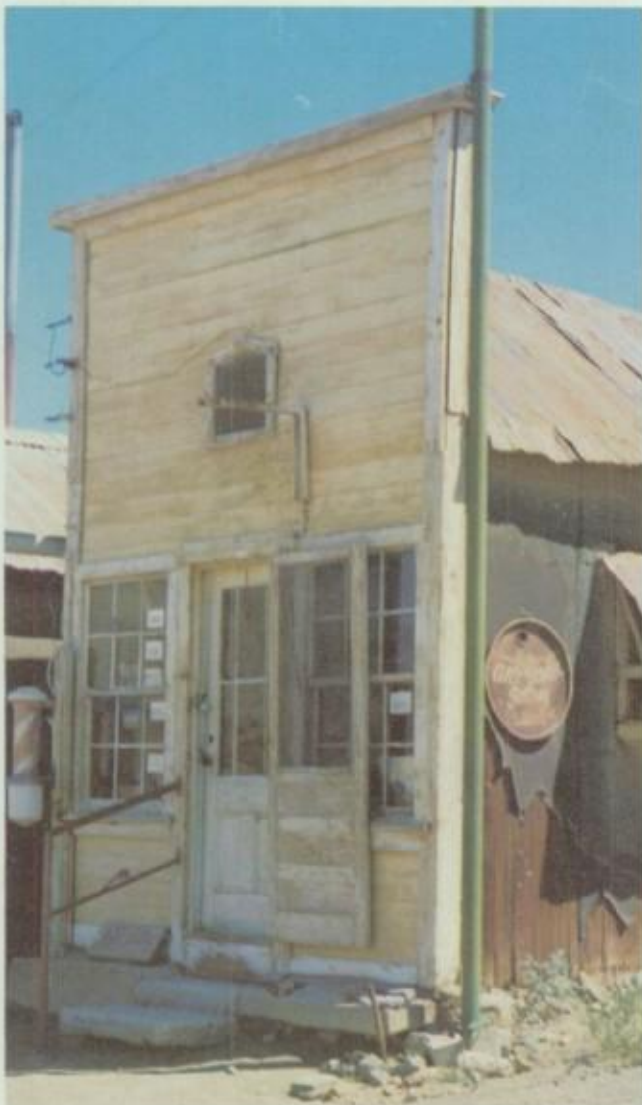

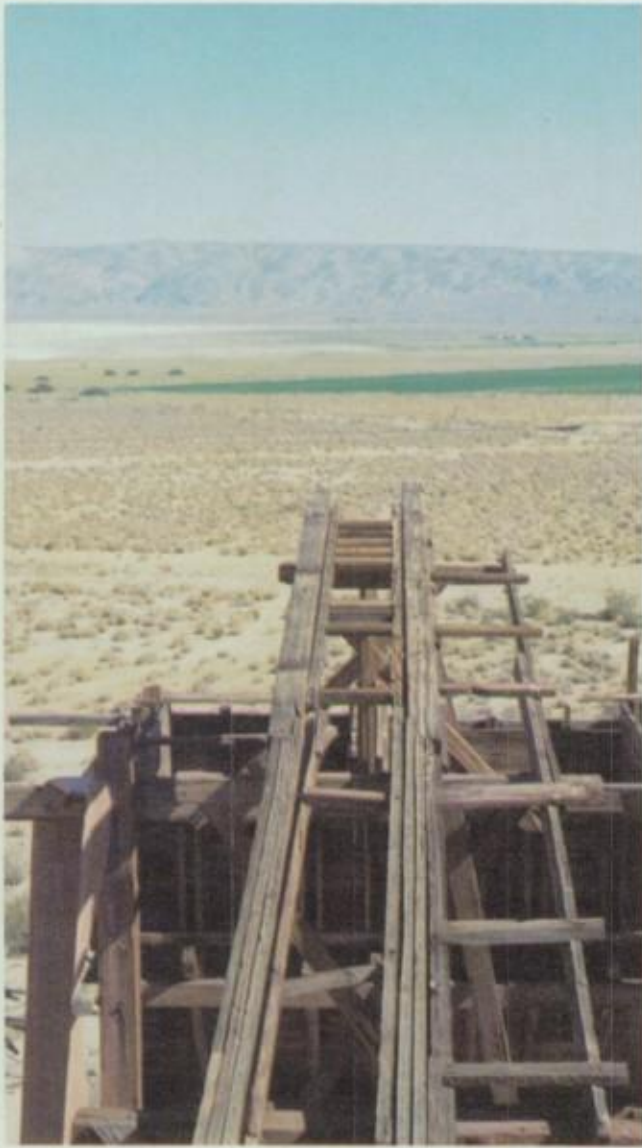

The crash of a wave,
 The laugh of a child at play,
 Seagulls soaring above,
 Brilliant sunsets,
 Old men of the sea.

Life by the sea;

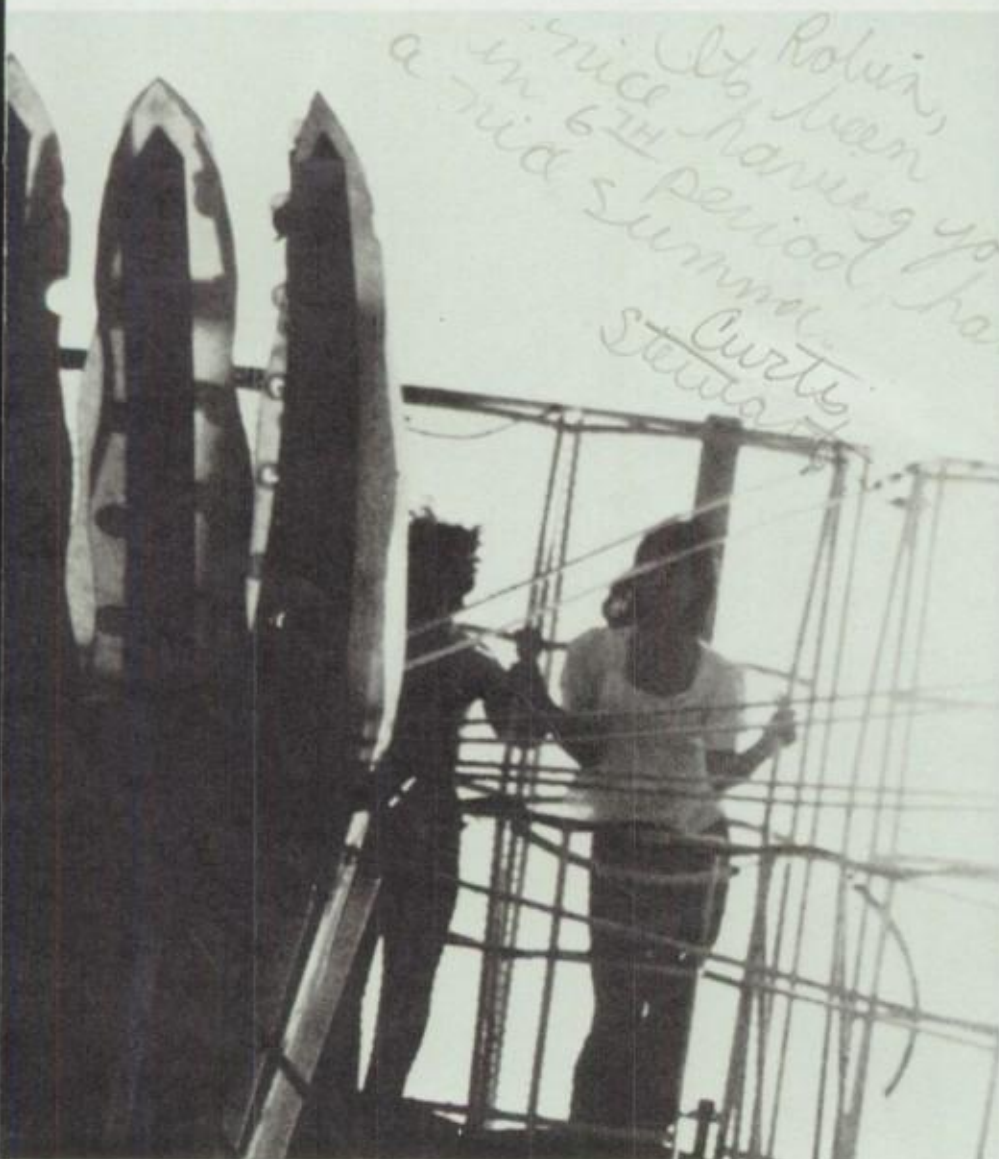

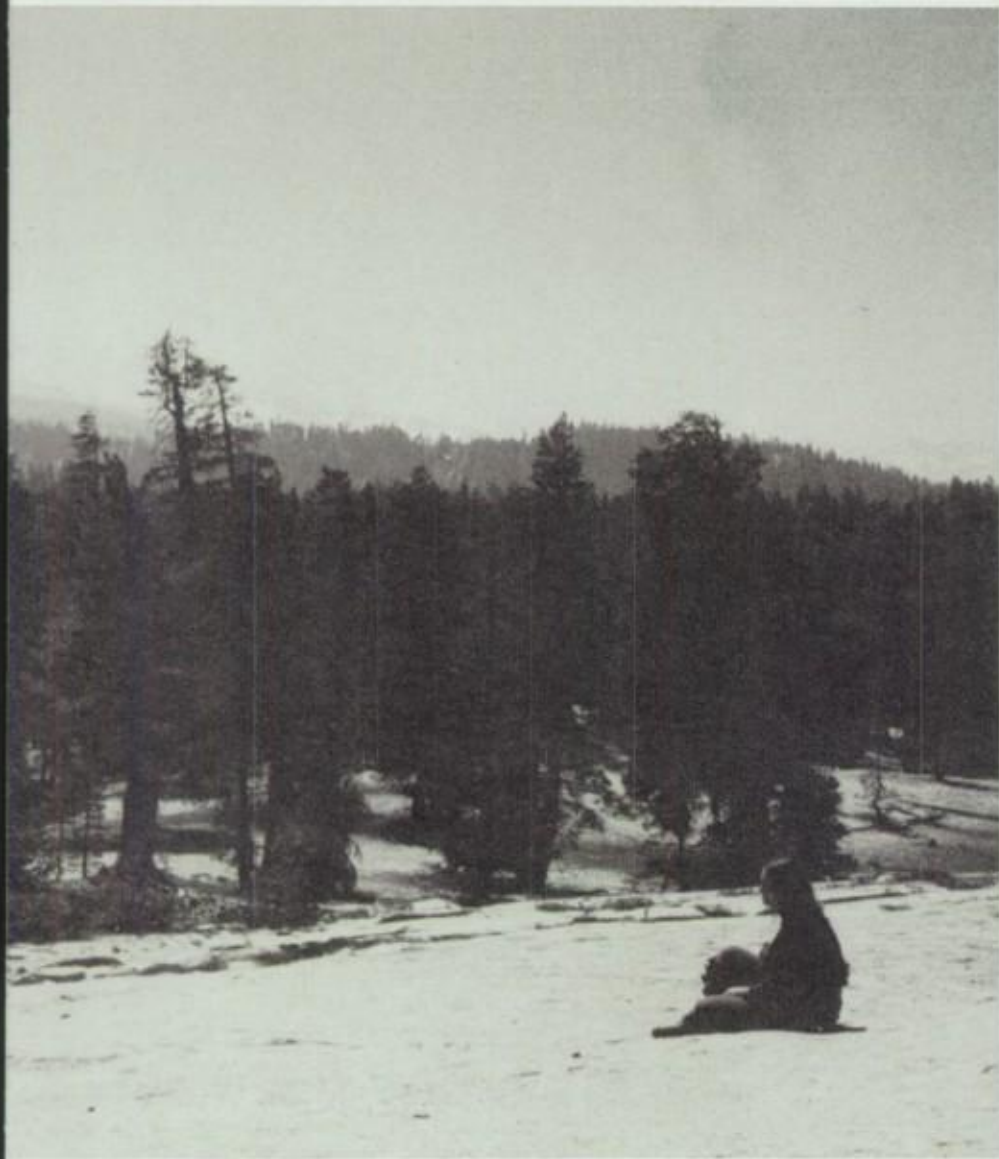

Tumble weeds rustling in the breeze,
The tall shadow of a joshua tree,
Sandstorms, ever changing landscape,
Lizards, snakes, and vultures,
surviving in this vast wasteland.
Life in the desert;

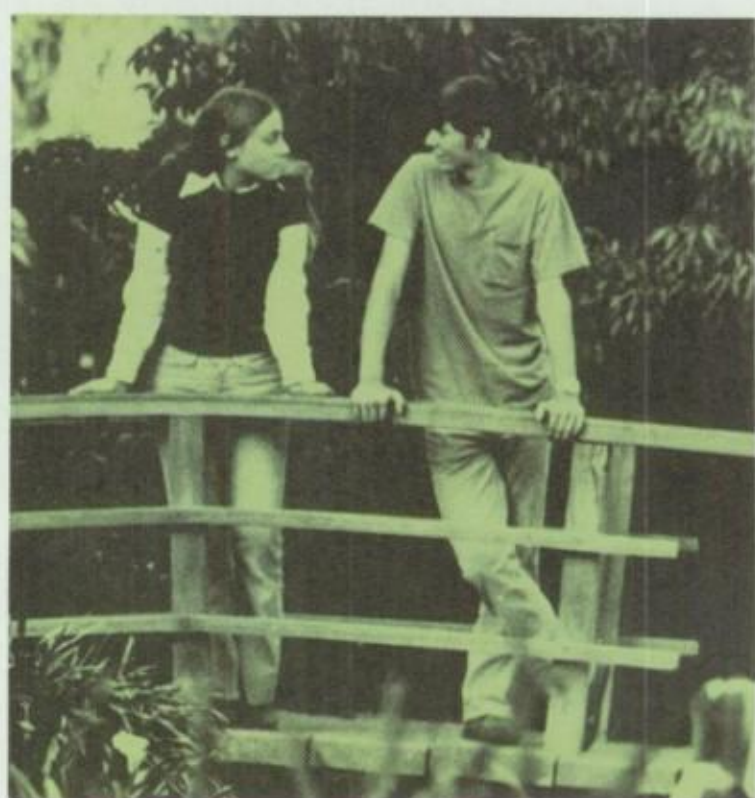

Scream of excitement,
Music of a California
Jam,
Motorcross, surfing,
and racing,
Disney, Knotts, and Magic
Mountain,
Life during youth;

Robin,
 To a big
 friend not really.
 See you next
 year. That will
 be our best year.
 See you in summer

We must seek the truth, by examining our inner-selves through communication, and insight; only then can the realities of life be found.

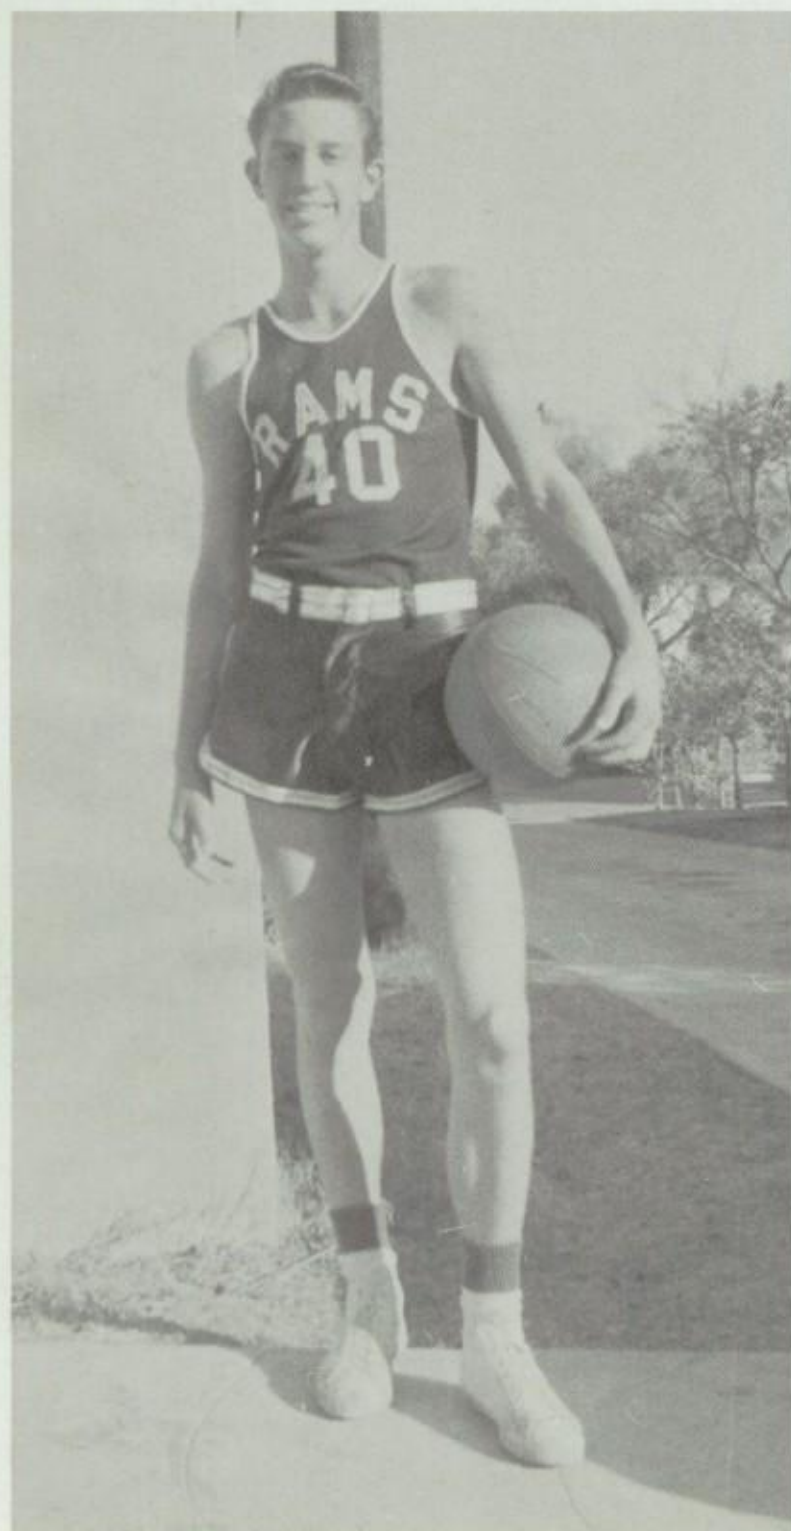

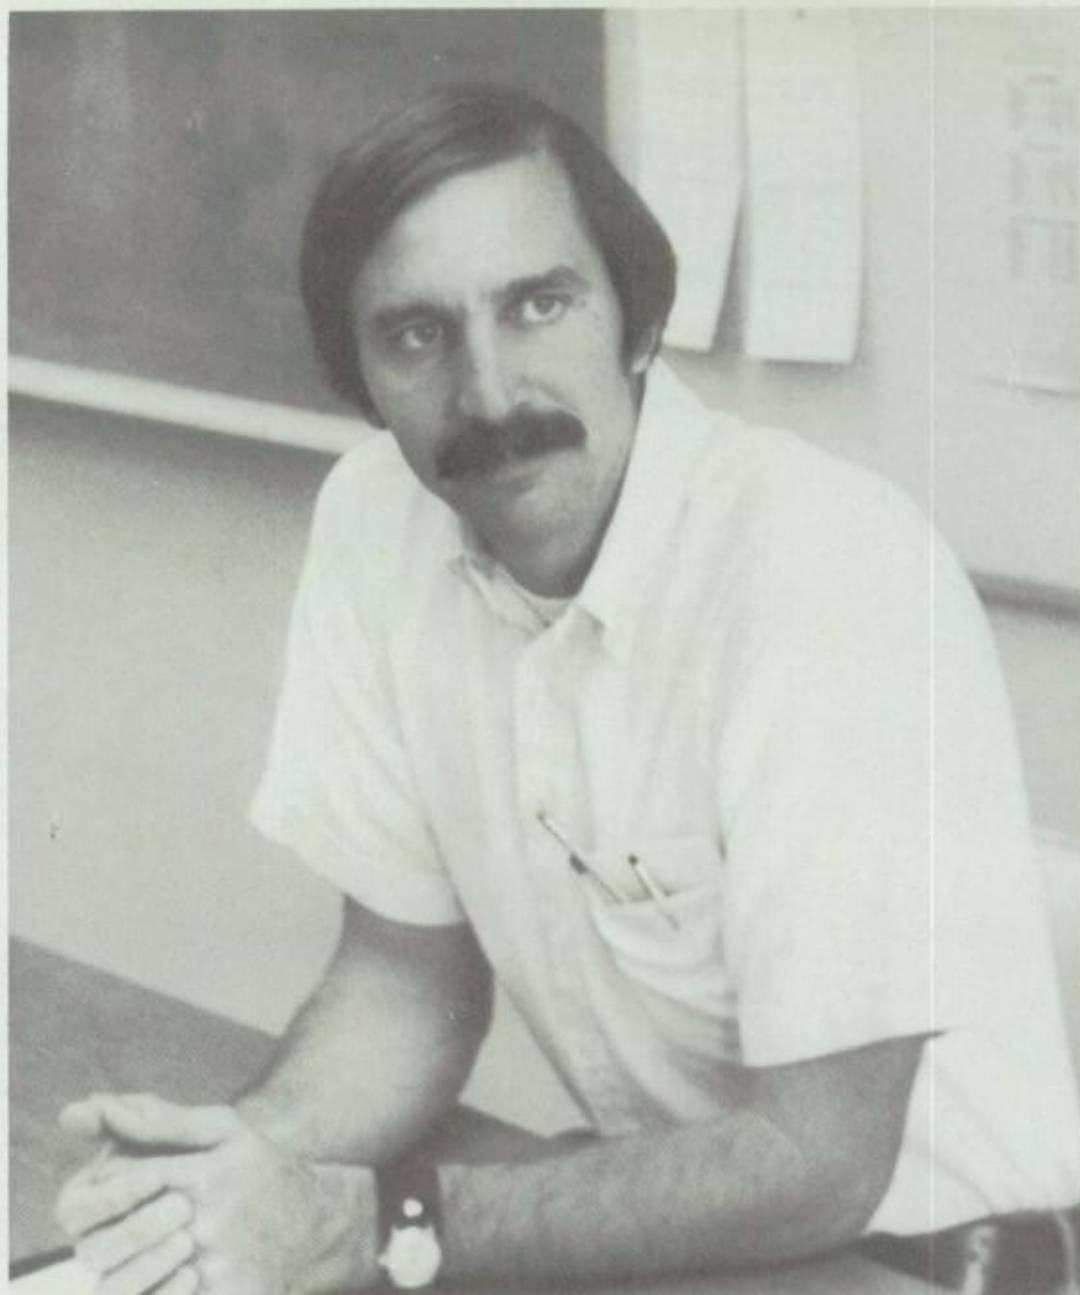

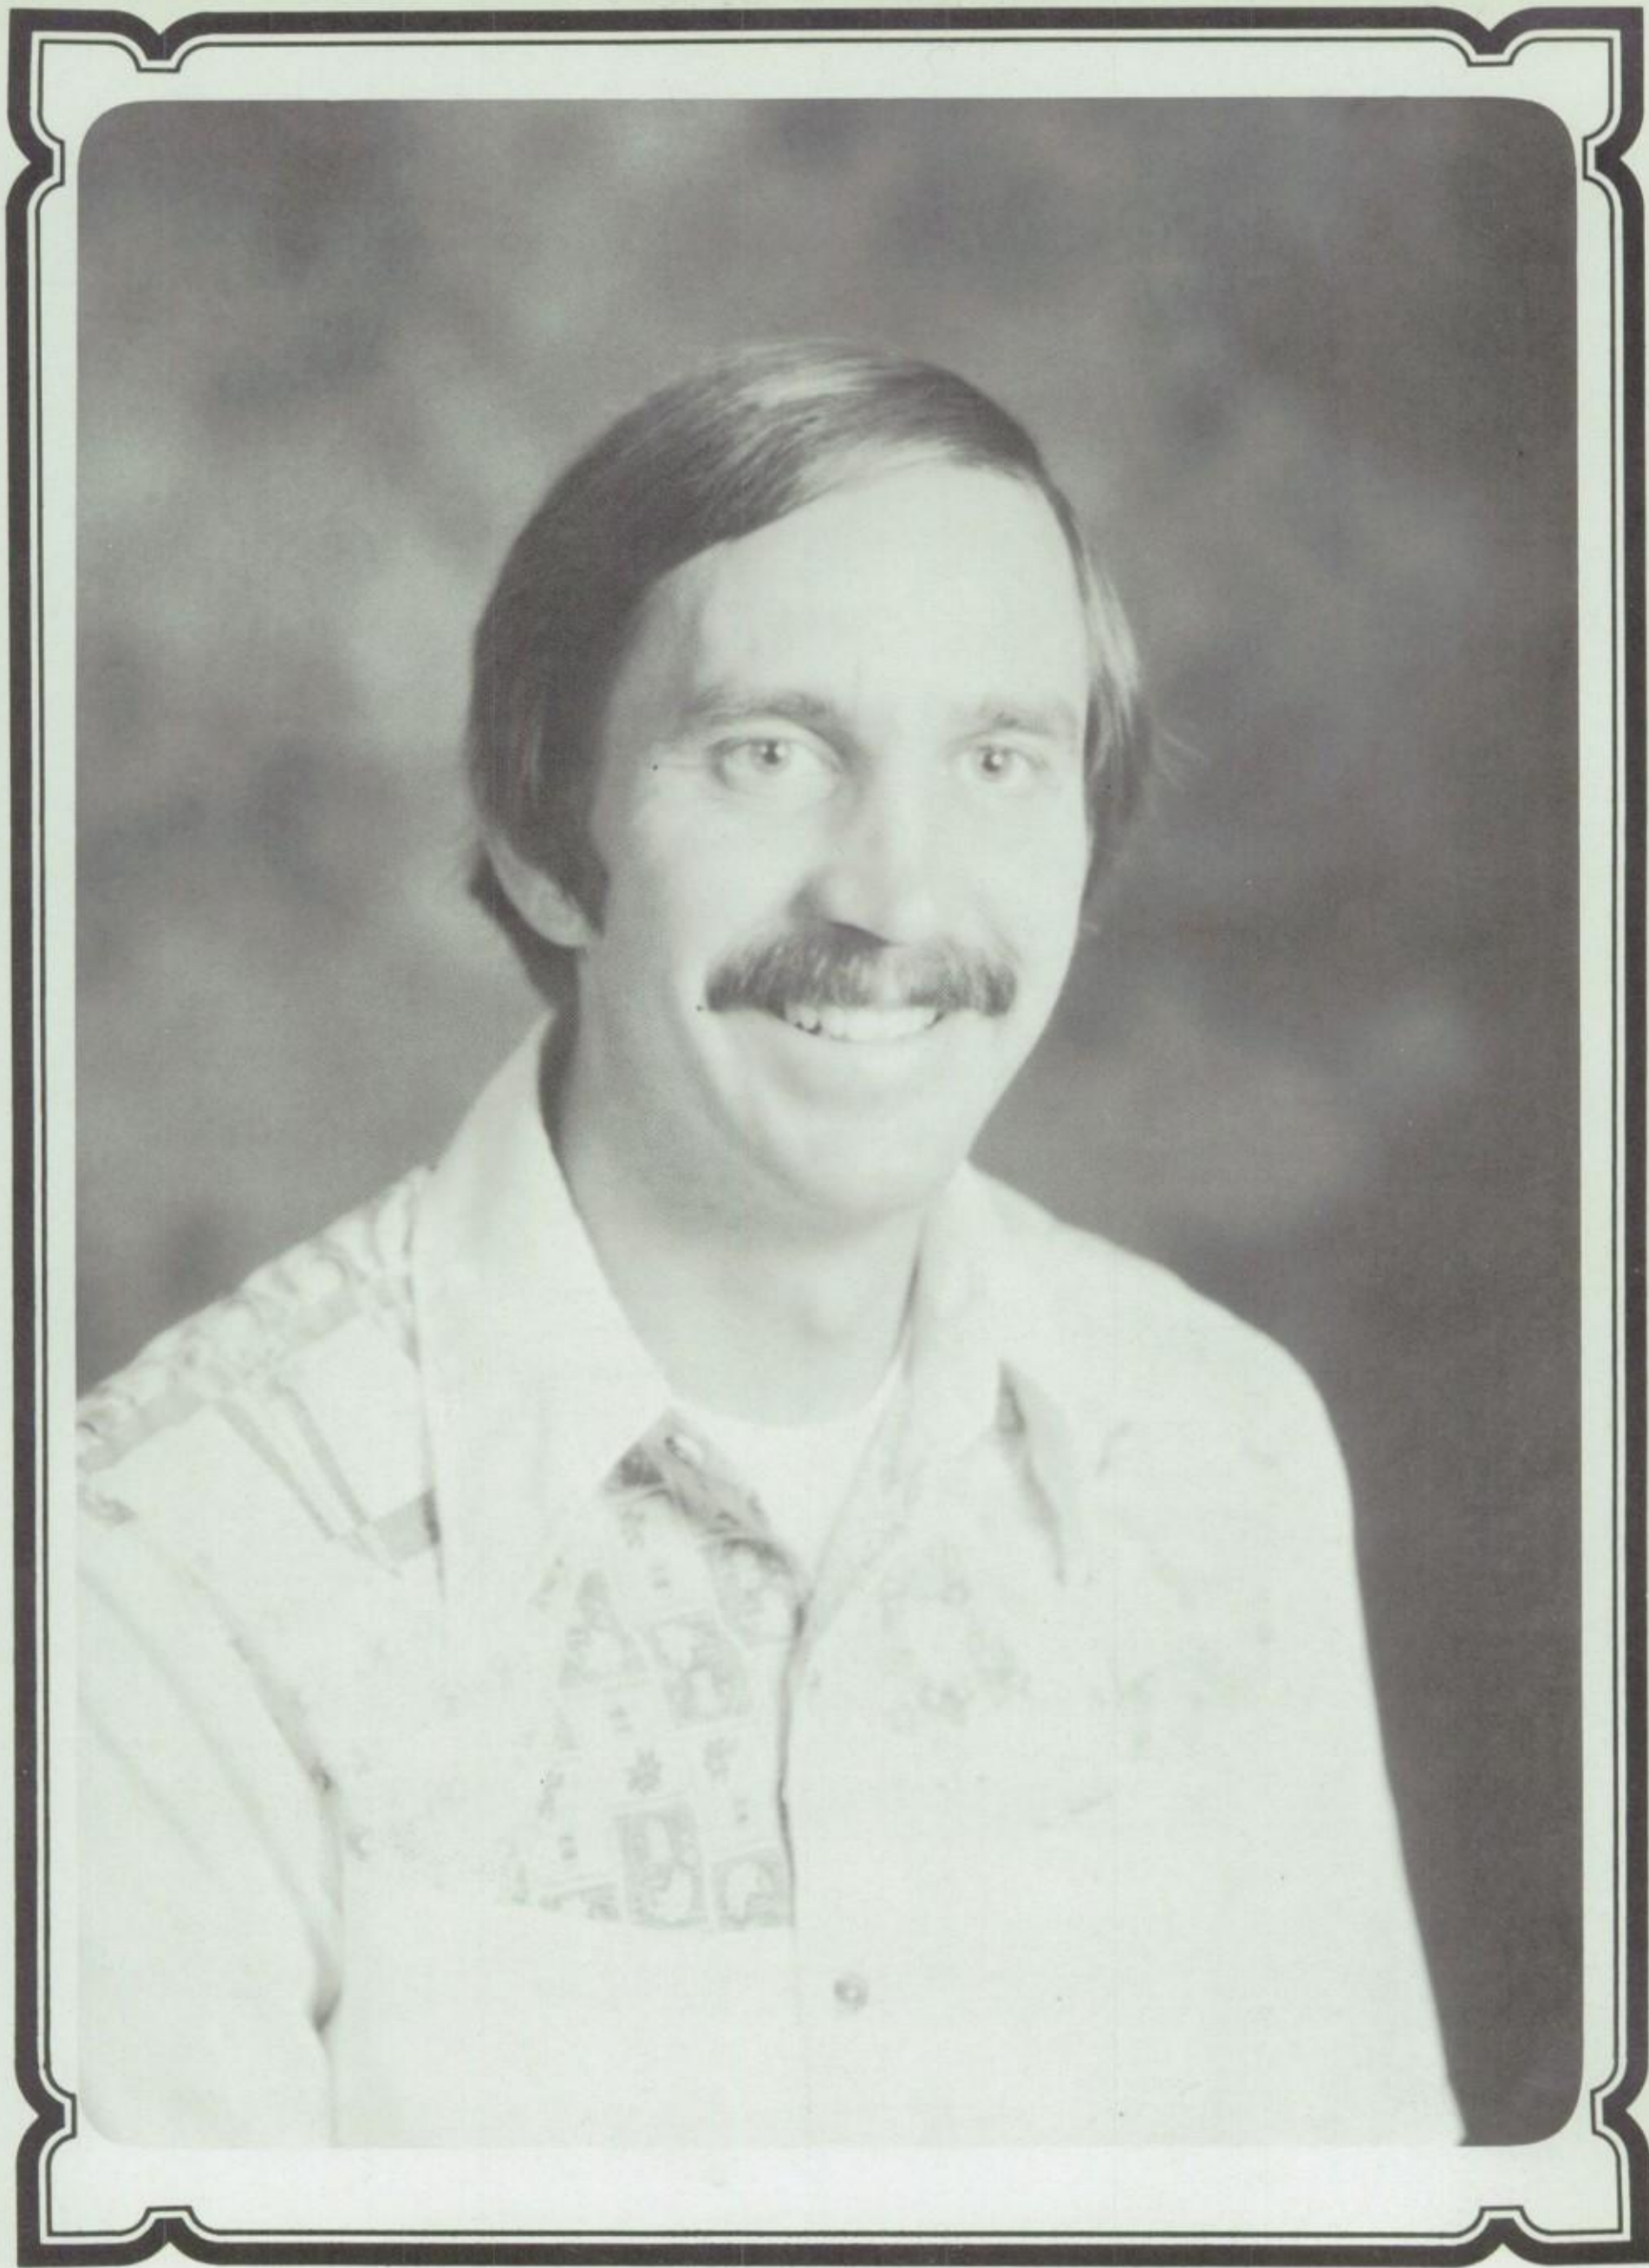

We must if we are the
ones who hold the
faith and hope of our
society. Our destiny
lies in the hearts and
minds of us all.

"Count me as one who loves his fellow man." We dedicate this book to the man who not only believes in this philosophy but lives by it daily. He is involved with the student body as a whole and with each student as an individual. He insists that we must keep an "open outlook on life" in order to survive these ever-changing times.

This man, to whom we owe so much, is known by all as Mr. Stanley Keith Andersen, ex-all star basketball player, Monday night volleyball star, English teacher, husband, father, and friend.

Robin,
You have
a really good
outlook on life.
It's been great knowing
you in photo this year.
Have a Great Summer & a
Fantastic Life "75"
Ron Miller

We are leaving now
For bigger and better places.
Before we go out into the world let us
reflect upon our past accomplishments.

Through our relationships with friends
and faculty, we have been shown how
to become stronger and braver people.
With this strength and courage we can
conquer the world.

Our patience and understanding,
ever in mind, as well as our everlasting
faith, will enable us to reach our goals.

ACTIVITIES

PEP RALLIES

Kathy Mintun appears to be floating on a cloud, as last years Homecoming Queen, Elsa Bruinsma, places the glistening crown on her head. Then holding tight to her father's arm, she makes her way to the awaiting car to circle the field as the new 1974-75 HOMECOMING QUEEN!

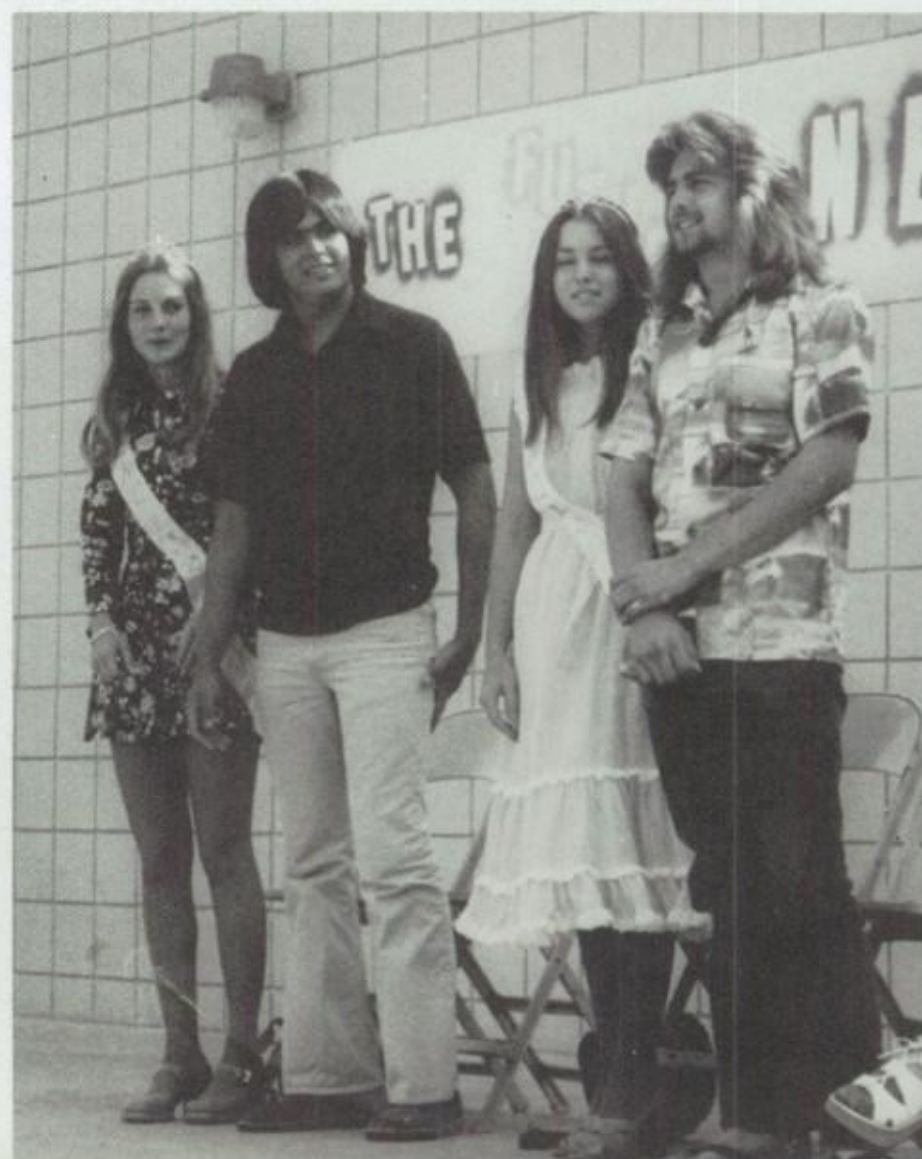

Following behind Queen Kathy's car, is her lovely court, consisting of Princess Dana, Princess Shirley, Princess Denise, Princess Candy.

Homecoming Week was filled with fun and excitement. The week began with the traditional "little red wagon race". During the following days, the Homecoming princesses and their escorts participated in "The future Newlywed Game", and then they were auctioned off as part of slave day. The next day, our new principal, Mr. Fleming and his partner, Sylvia Salas, chug-a-lugged their way as the Rootbeer Chug-a-lug Champions. All week during snack, Radio-free Glenn was in operation, judging girls and guys for their looks and personality. An assembly and the Alumni Tea were held Friday.

LEGS, LEGS, LEGS

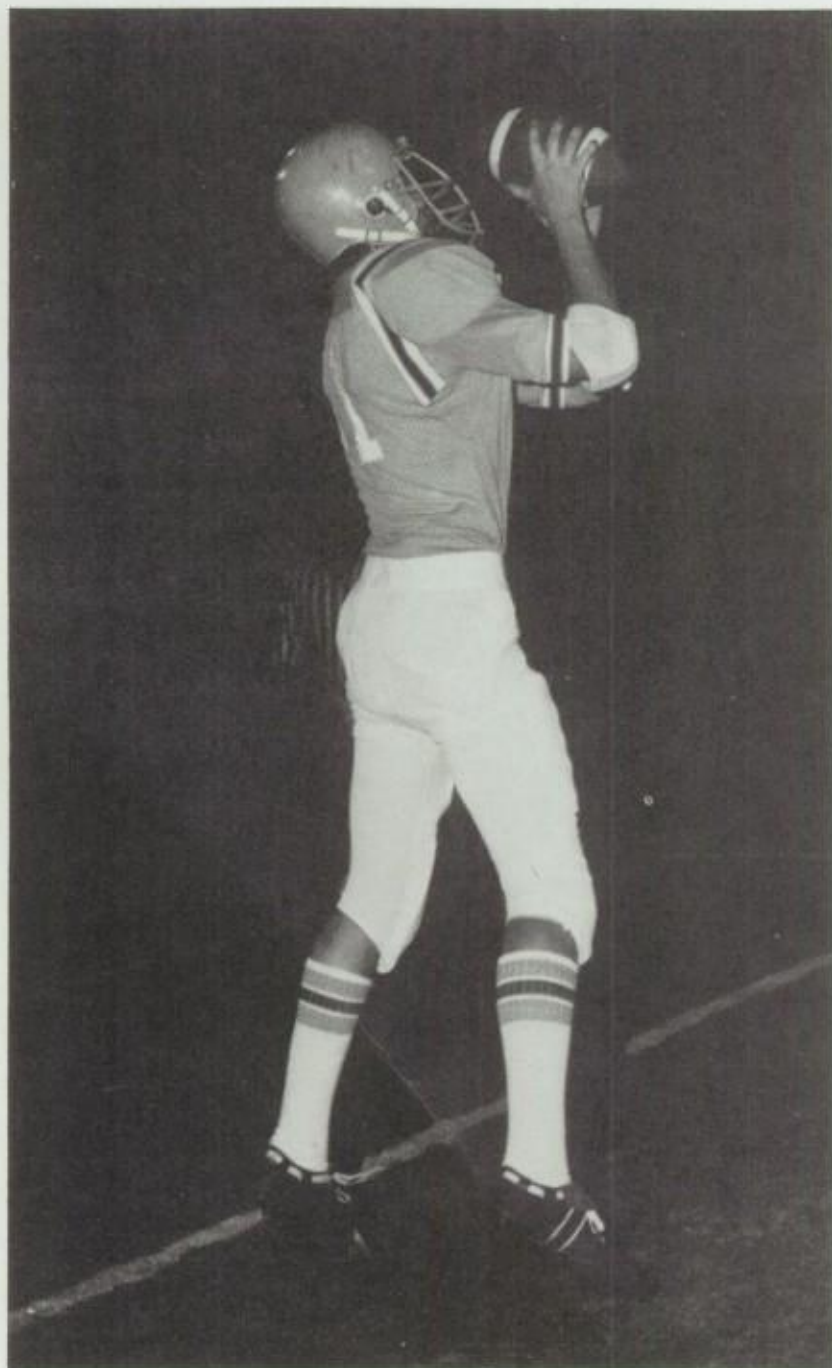

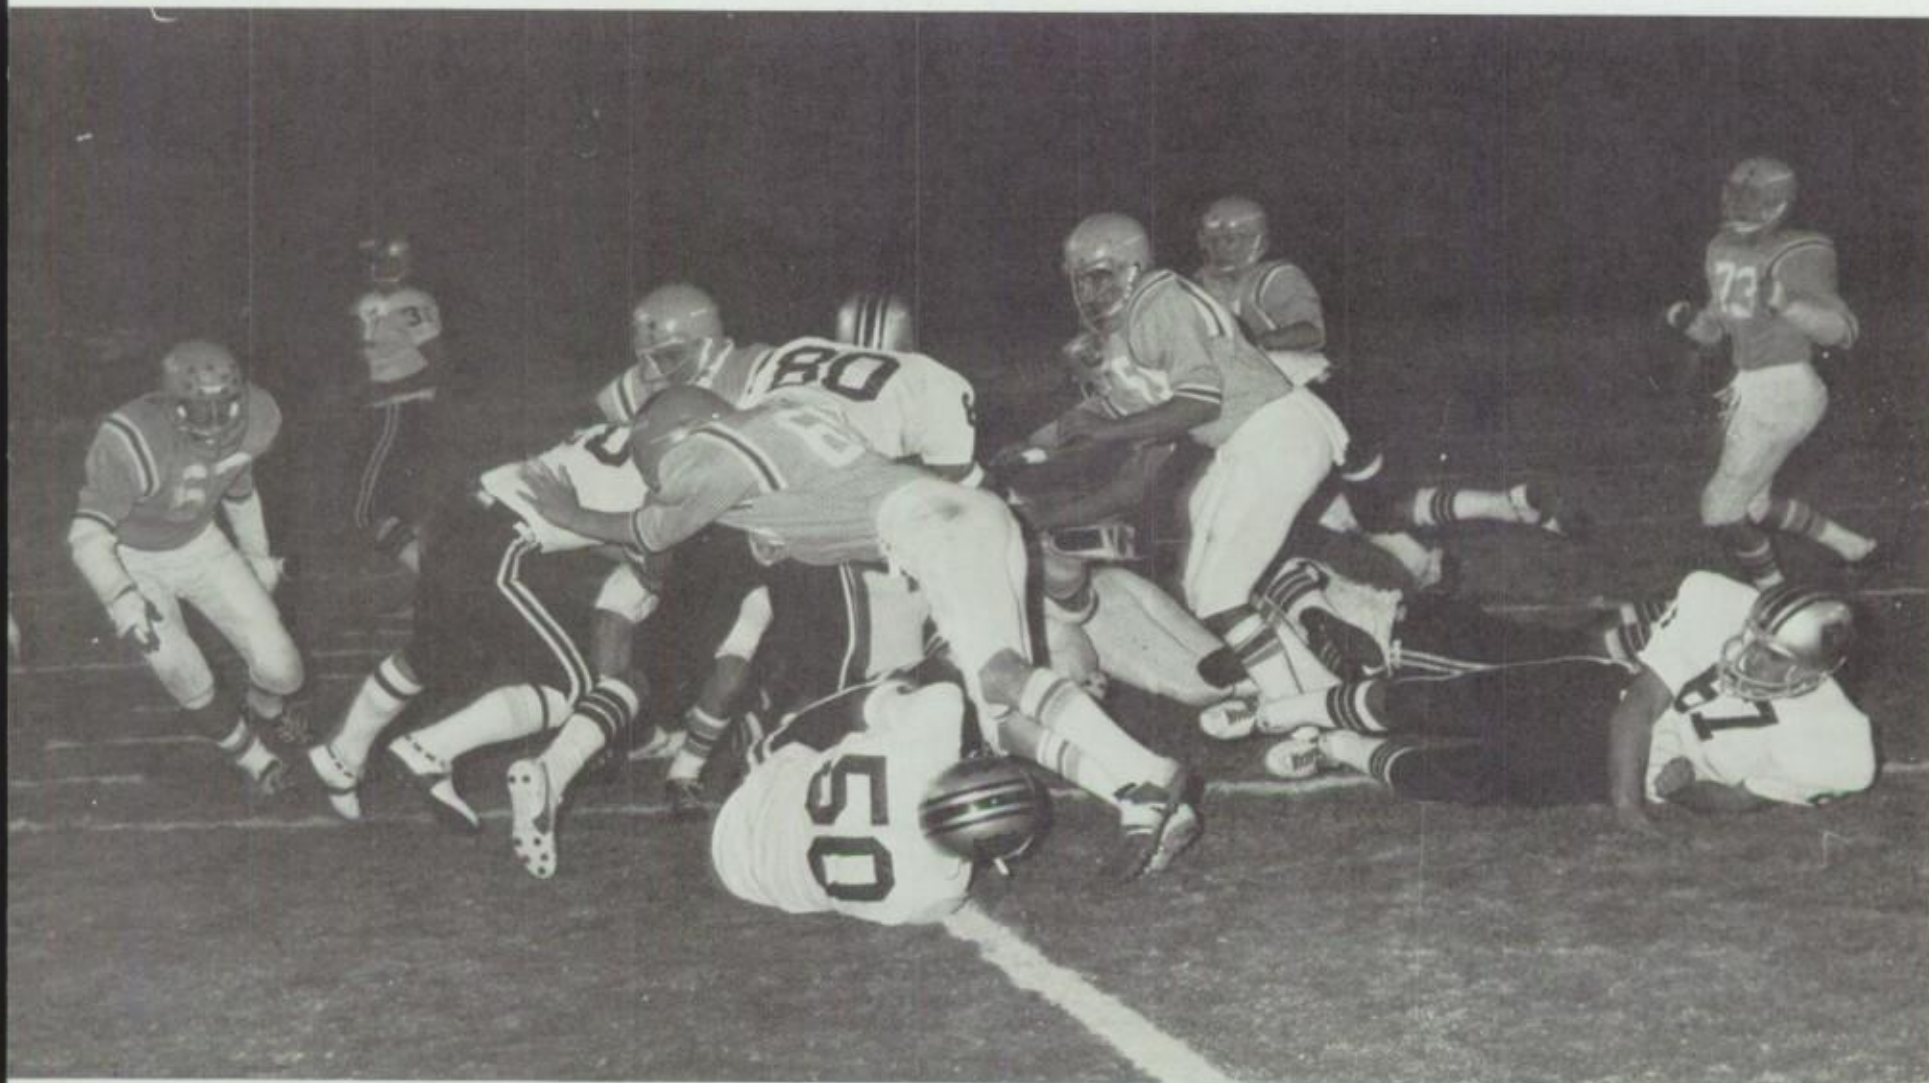

Radio-free Glenn judges seem to be having a good time determining who has the best pair of legs. Wait a minute! Isn't that Mr. Anderson?

HOMECOMING GAME

The highlight of Homecoming Week was a disappointment to Eagle fans, but we have pride in knowing that our team fought their best, despite many obstacles and mounting odds.

CAUGHT IN THE ACT...

THE EFFECTS OF GAMMA RAYS ON MAN-IN-THE-MOON MARIGOLDS

The John Glenn Drama Dept. opened the 1974-75 season with one of the most intense and absorbing dramas ever performed at Glenn. The play takes place in a room of wood which was once a vegetable store and a point of debarkation for a horse-drawn wagon to bring its wares to a small town. But the store is gone, and a widow of confusion has placed her touch on everything.

NIGHTS IN WHITE SATIN

This year's Christmas dance was held in San Gabriel at the Start-ups ball room. The band, DEL-FI and FRIENDS, played many popular tunes much to the enjoyment of all who attended. The evening was climaxed by the crowning of Queen Laura Castenada and her court.

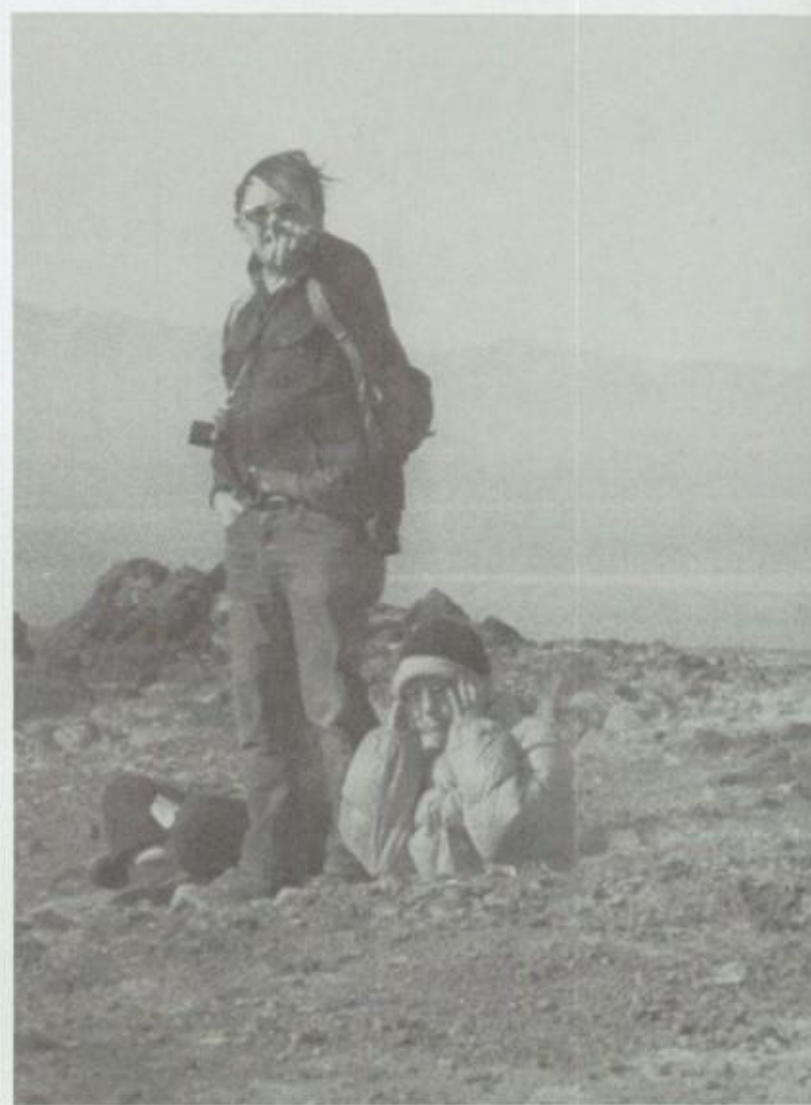

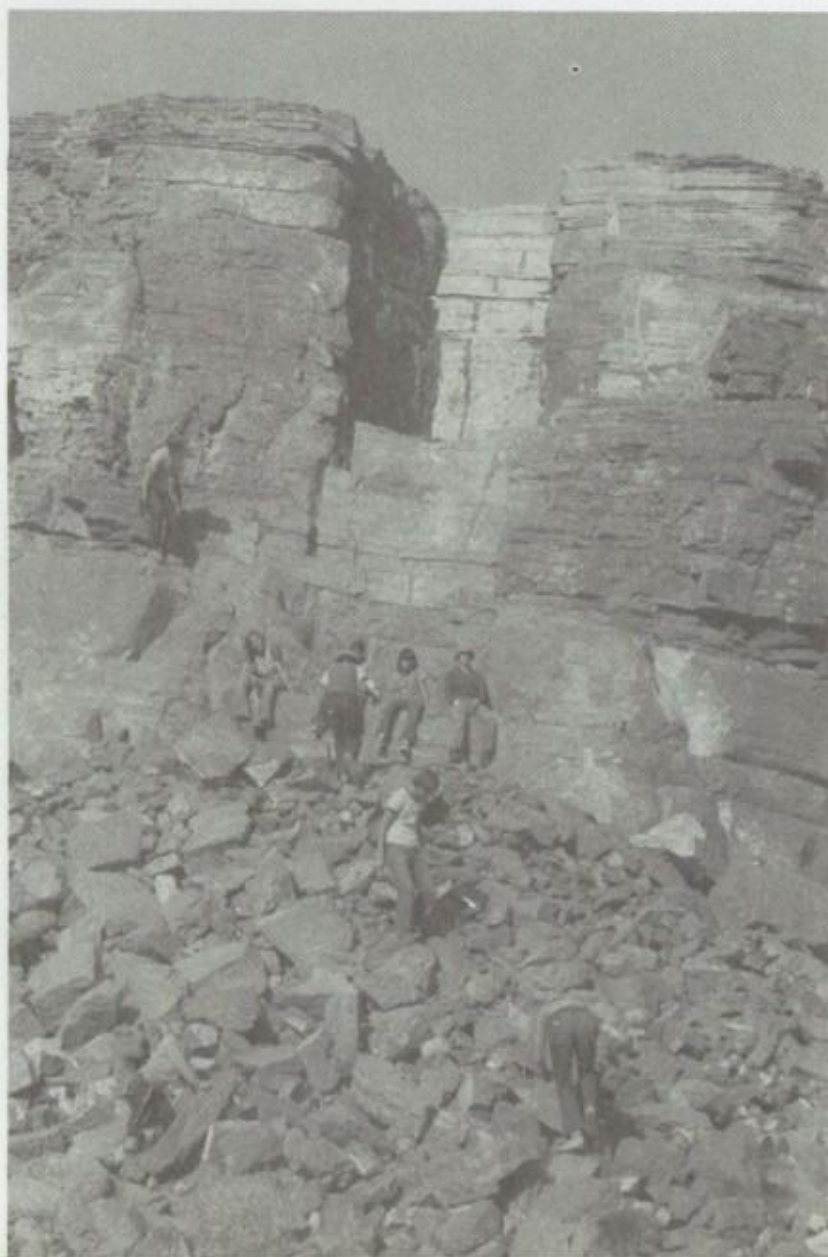

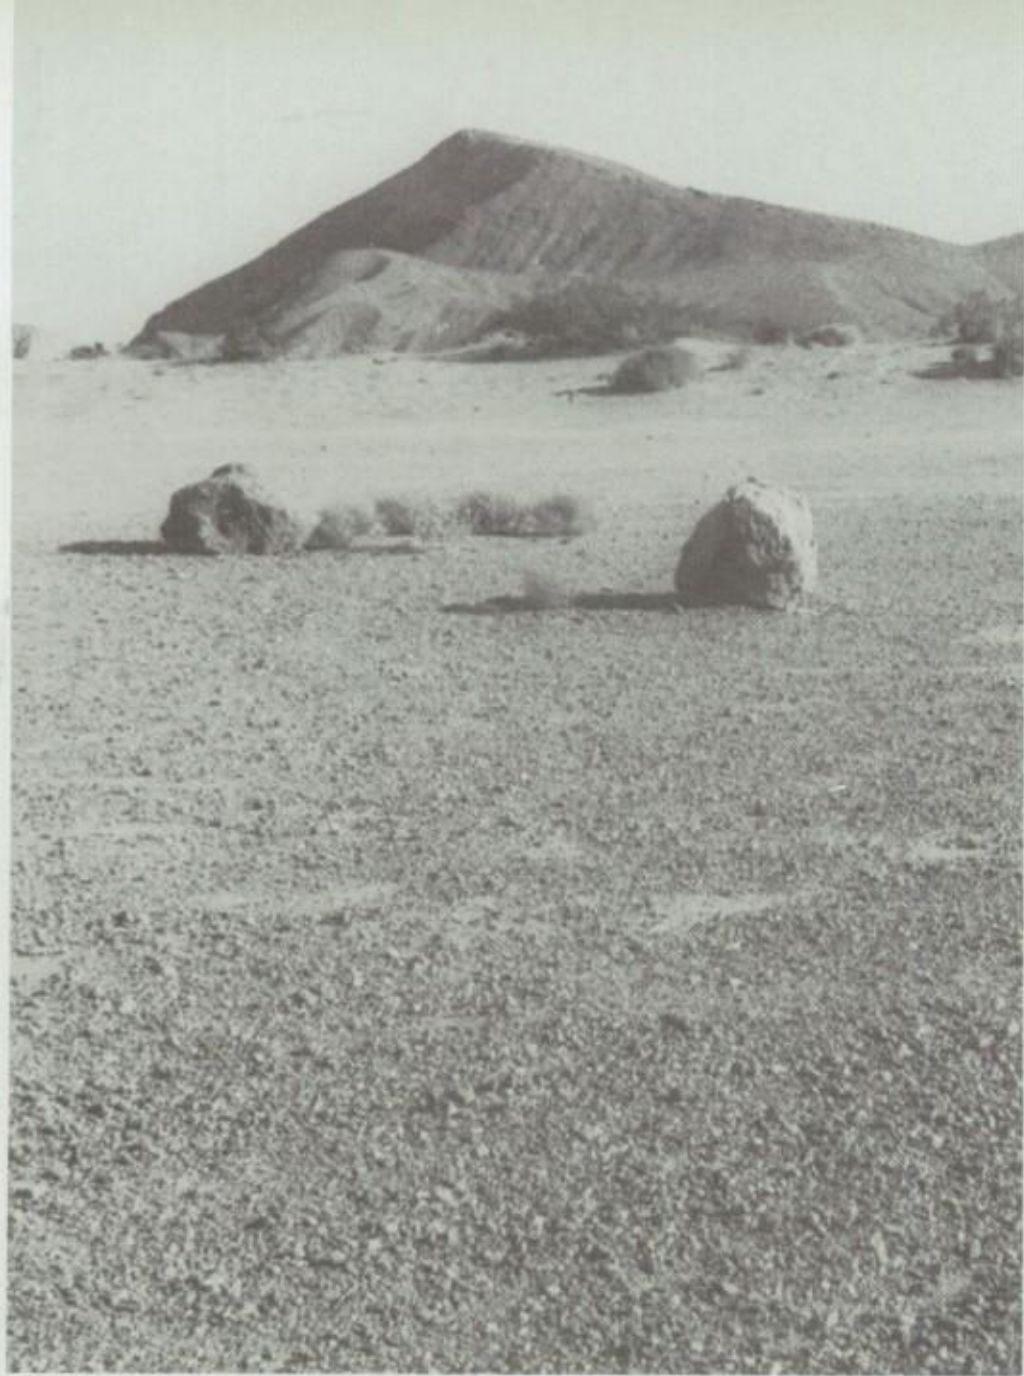

QUEEN LAURA

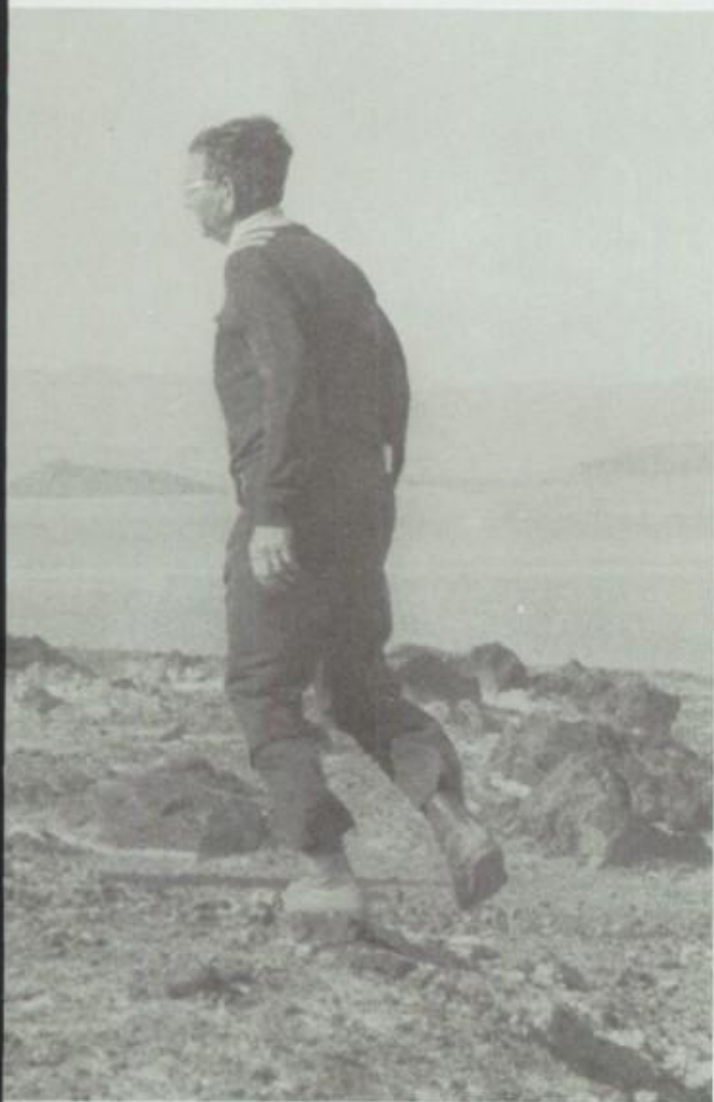

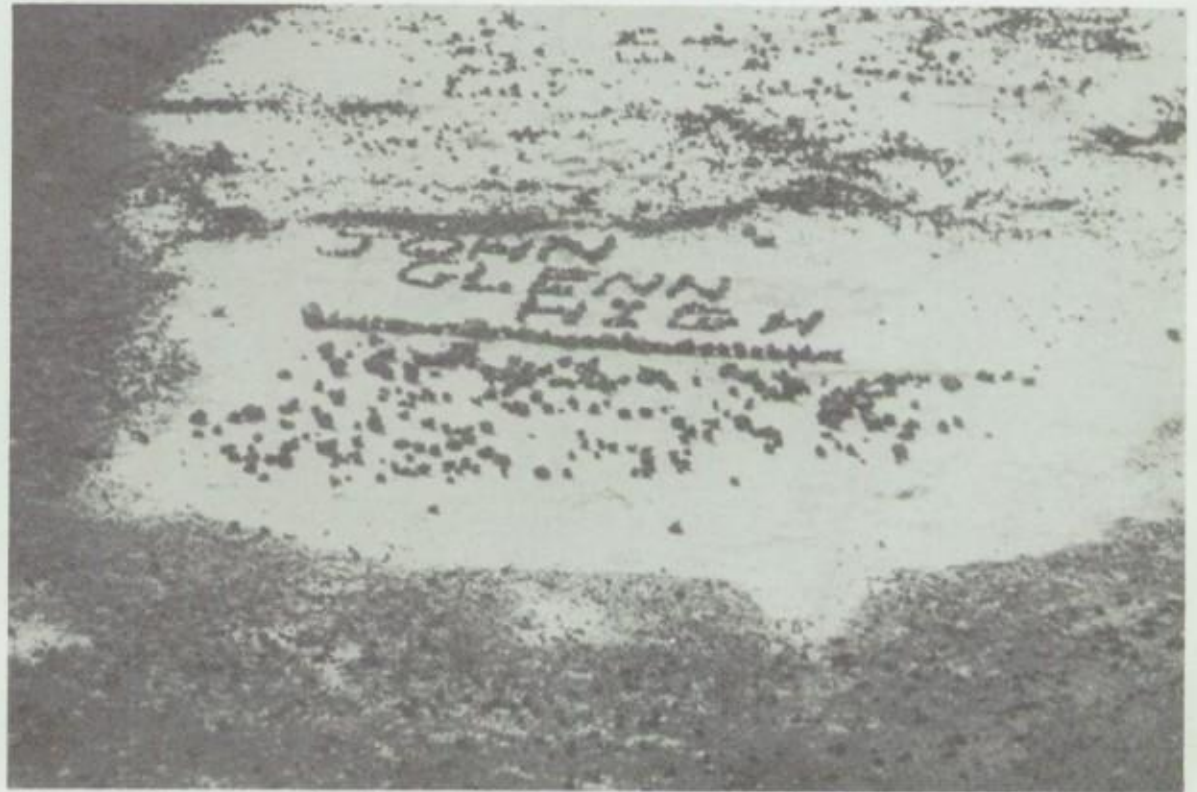

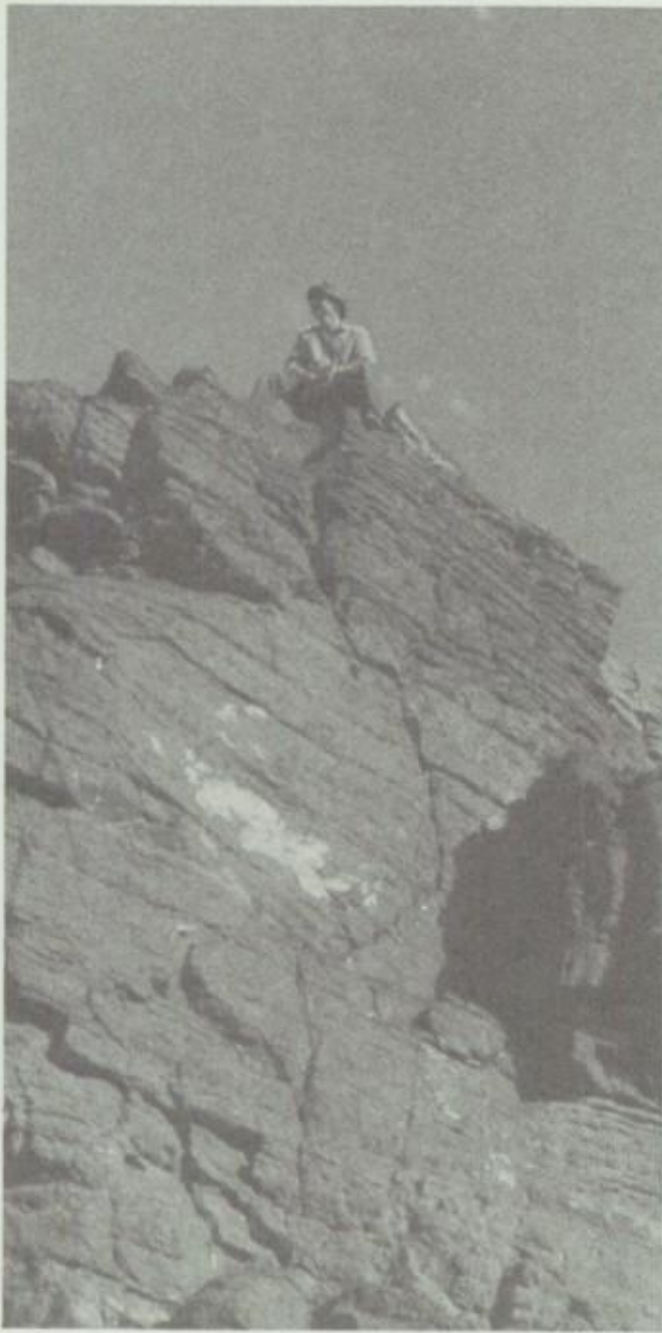

CHRISTMAS DANCE QUEEN AND HER COURT

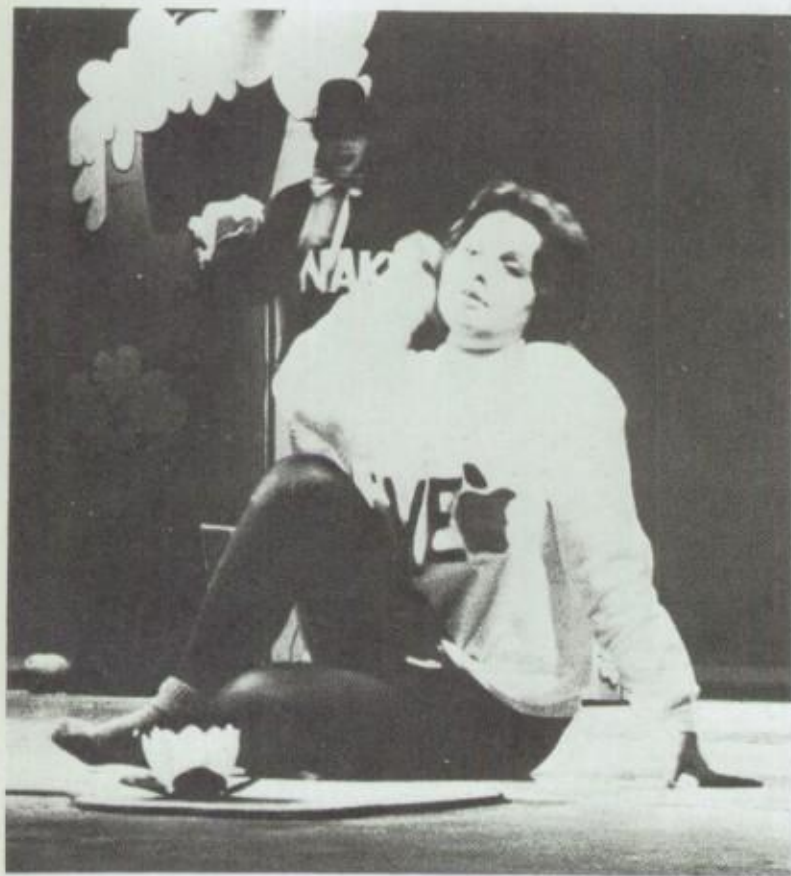

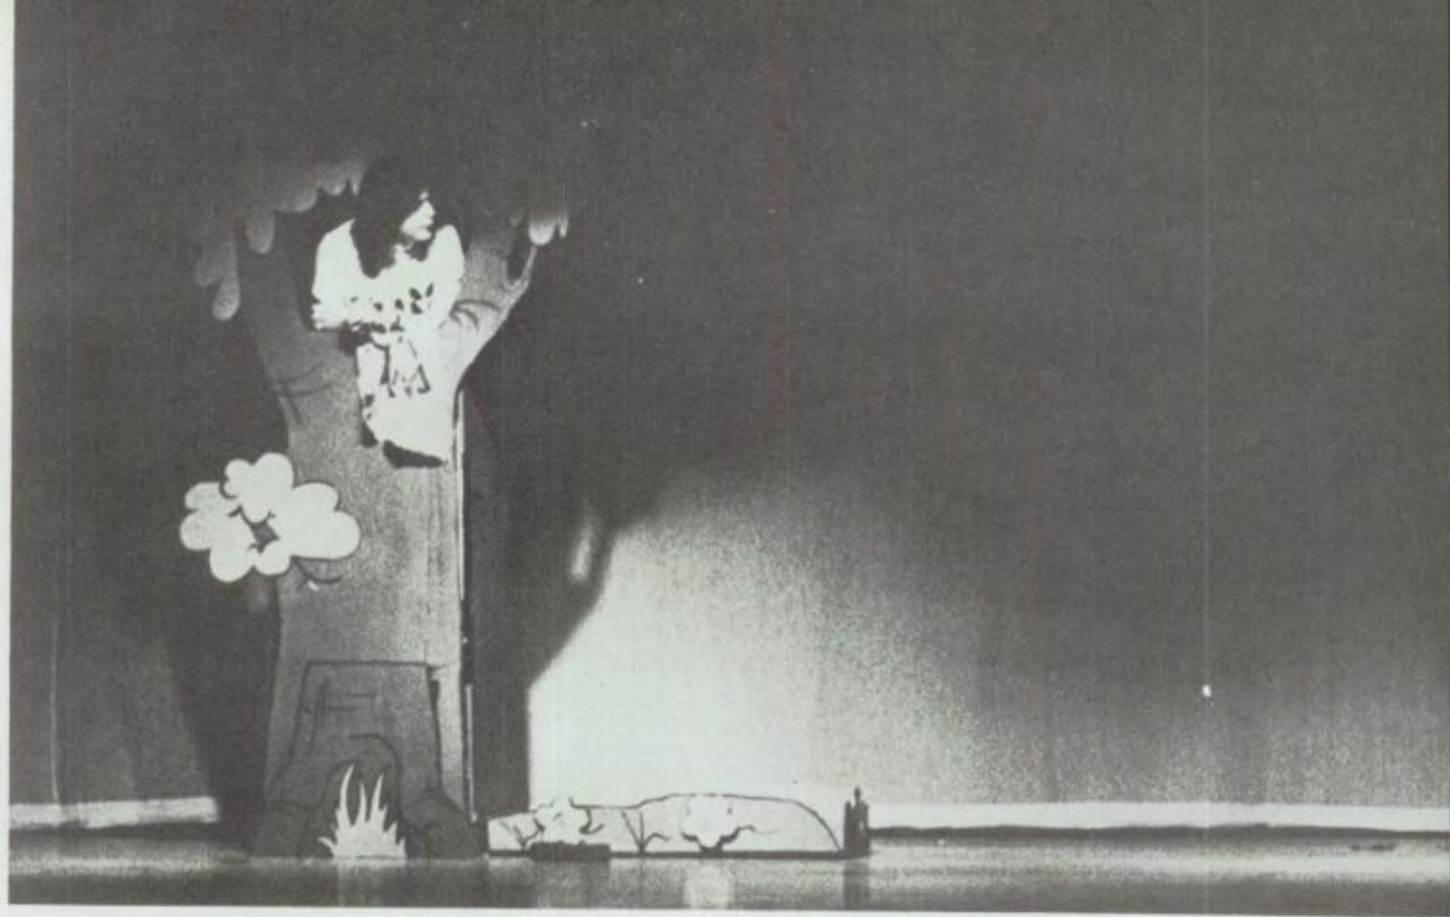

Princesses Cory Underdale, Diane Marquez, Irma Zermeno, Laurie Kuehl and Queen Laura.

FIELD TRIP EXTRAORDINAIRE

Dry winds, blowing sands, blistering hot days, and freezing nights describe just some of the many experiences of the M.G.M. students, science students and the coordinators during their journey to the Mojave Desert. The first day was spent digging for fossils at Vasquez Rocks, under the instructions of Mr. Angotti. That night under the direction of Mr. Hughes and Lyle Chinkin the students studied the many facets of astronomy. The final day was spent climbing Amboy crater, the youngest volcano in California.

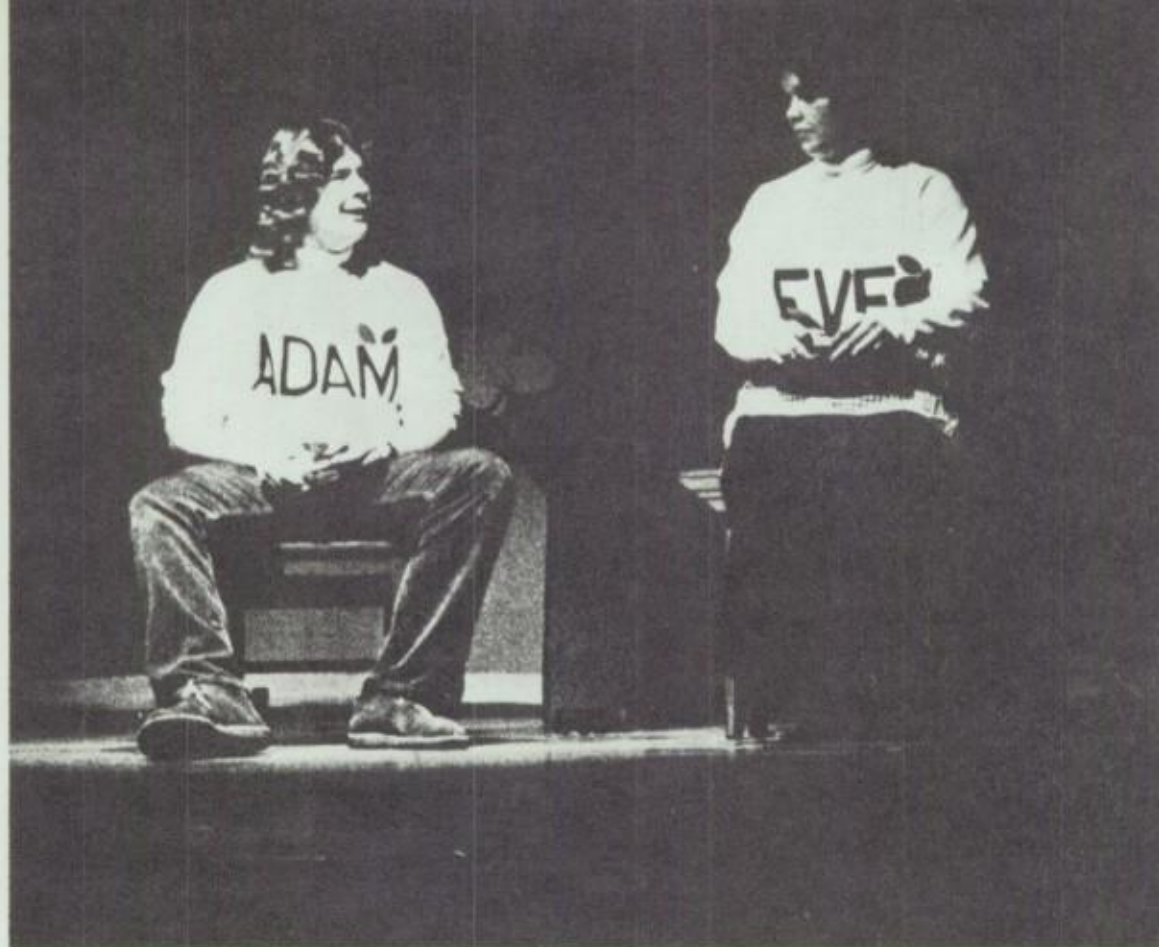

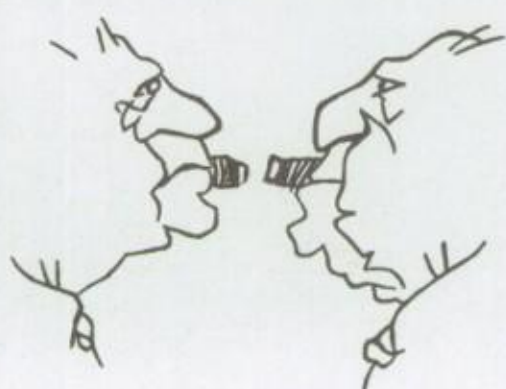

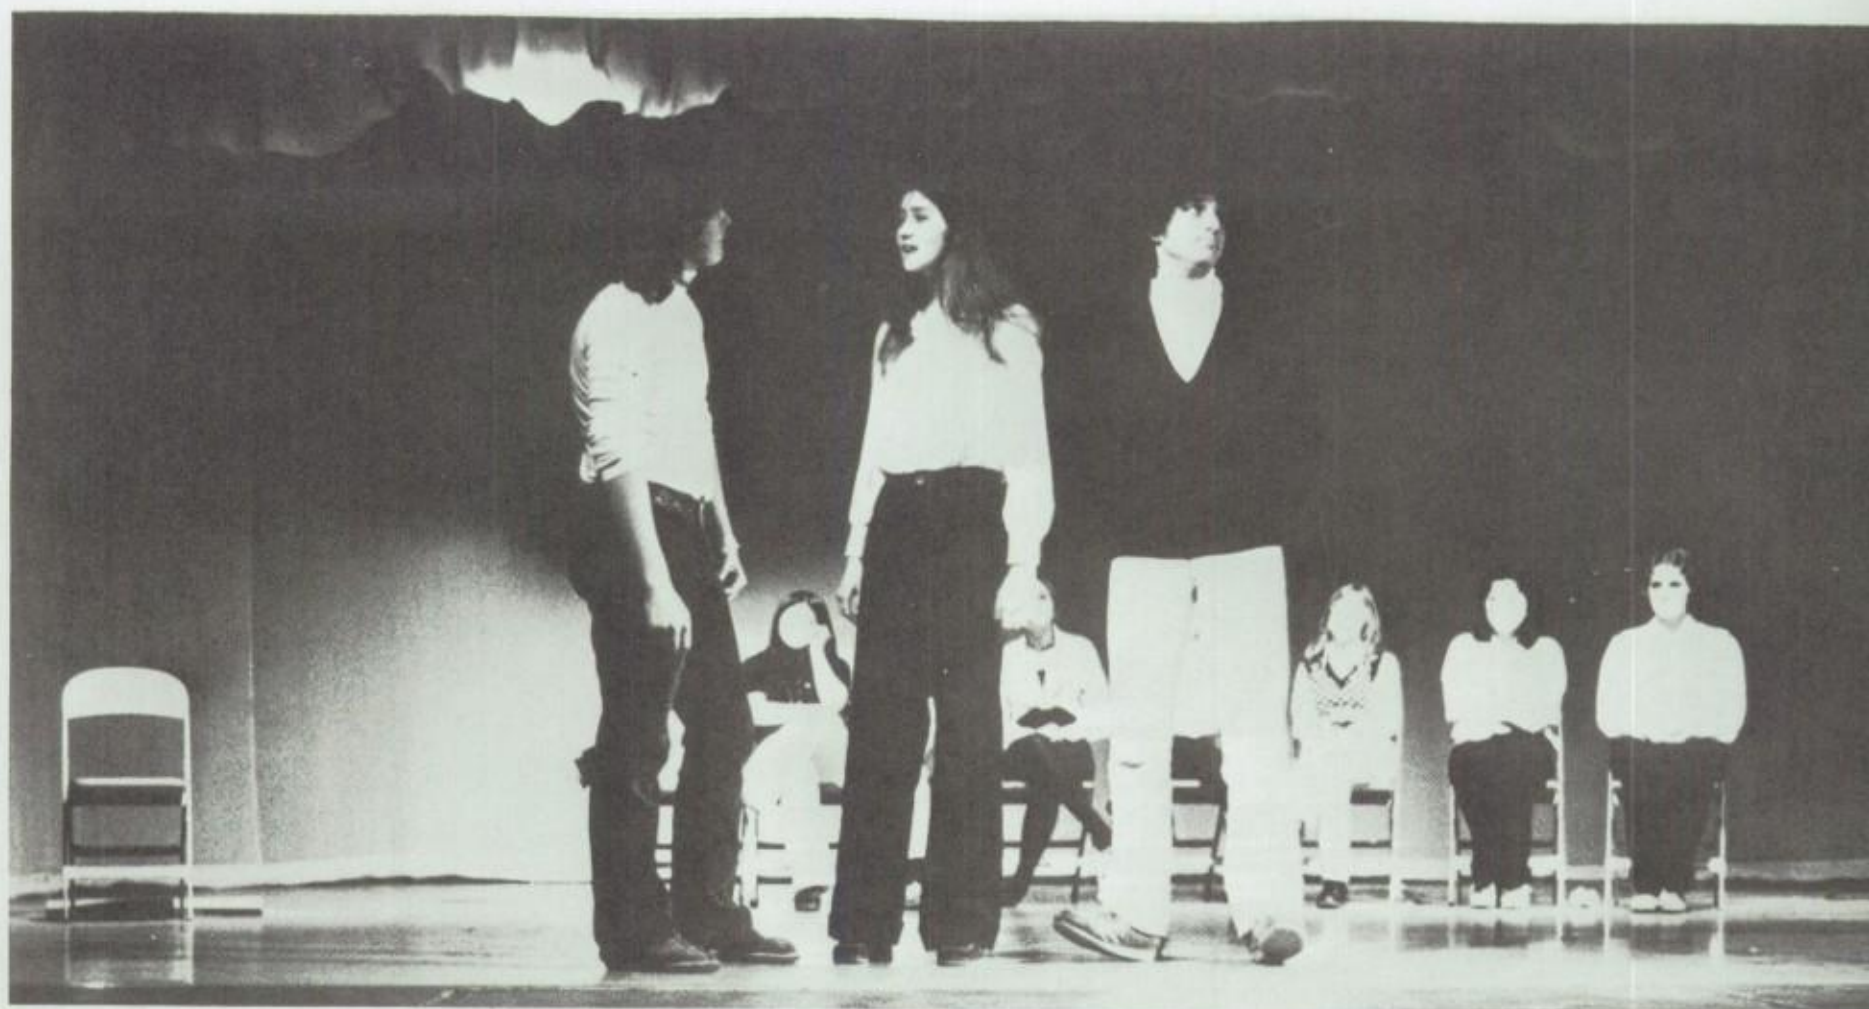

THE APPLE TREE

As the lights appear, we see the first of all men "Adam" sleeping on his mound. Around him is an incredible profusion of the most delightful creatures, one of which is "Eve". After a few bouts of superfluous communication they finally decide to be friends and settle down to be content in the garden of Eden. Then suddenly the snake appeared and cunningly convinces Eve that apples are not forbidden. "Oh no, my dear, the forbidden fruit is chestnuts!?!". Of course, we all know what happens next.

This very amusing and entertaining show was enhanced by its fine cast, Danny Shock, Danelle Bedingfield and Bob Kinney. This production proved to be the most hilarious that John Glenn audiences have ever had the pleasure to witness.

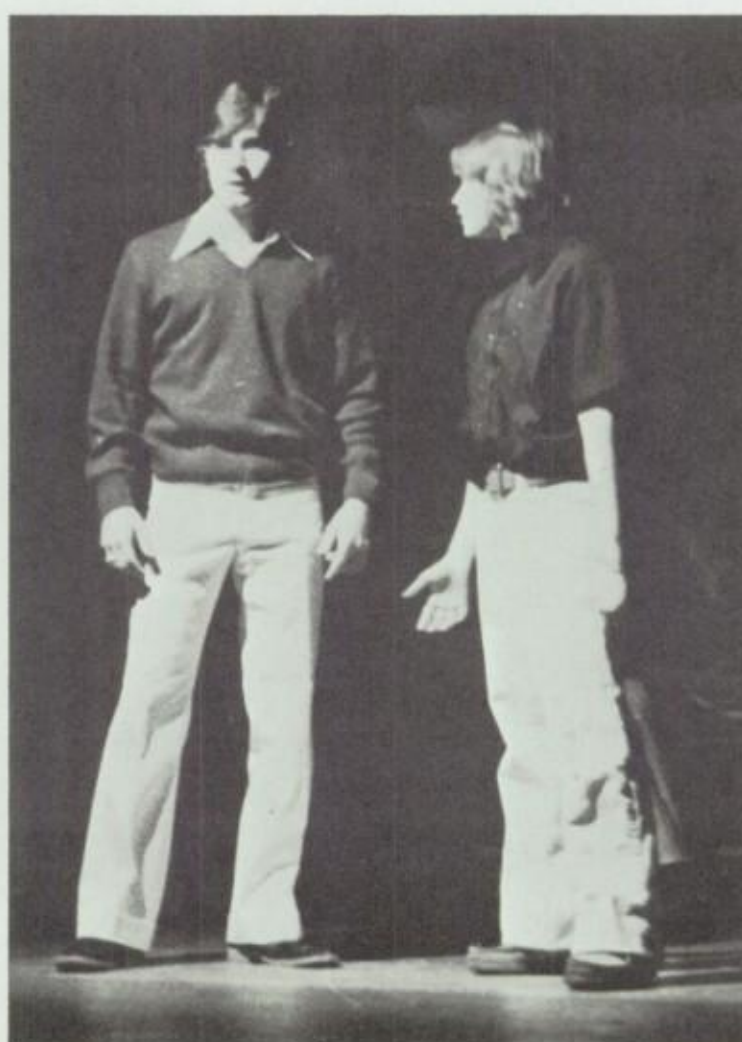

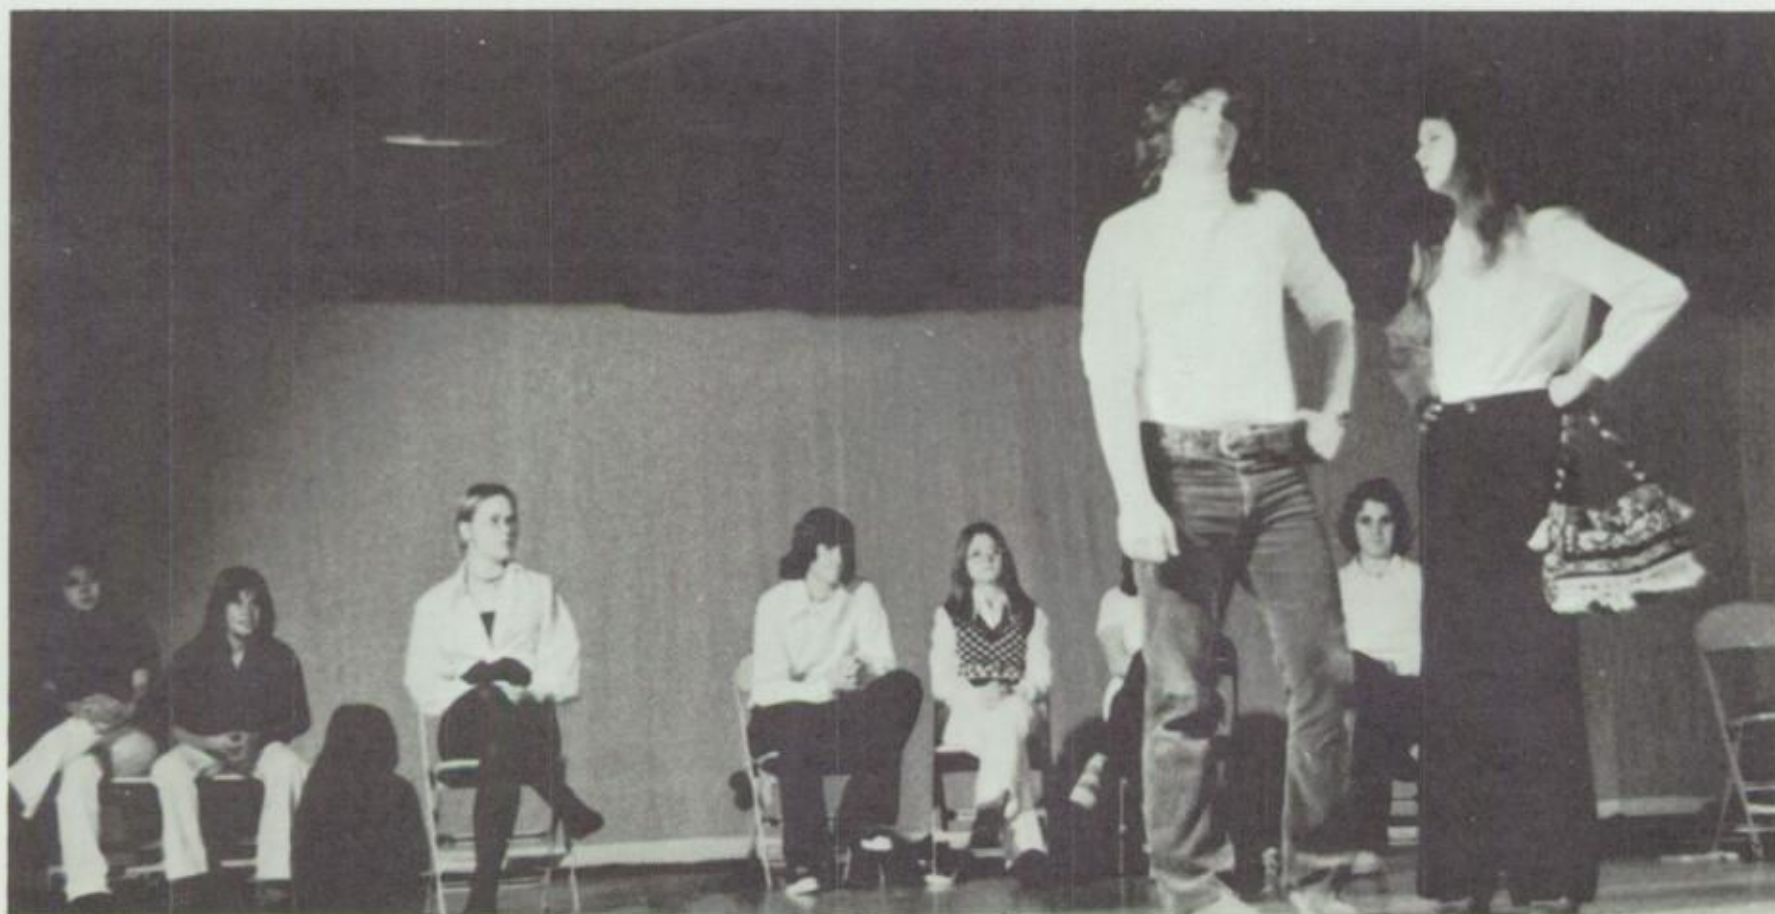

Kennedy? Chappaquiddick. Ford? Too lightweight. Jackson? Too GungHo. Rockefeller? Too old. Humphrey? Don't kid. So who is there to back for president in 76? Nobody. What-ever became of leadership in this country? Shot or in jail.

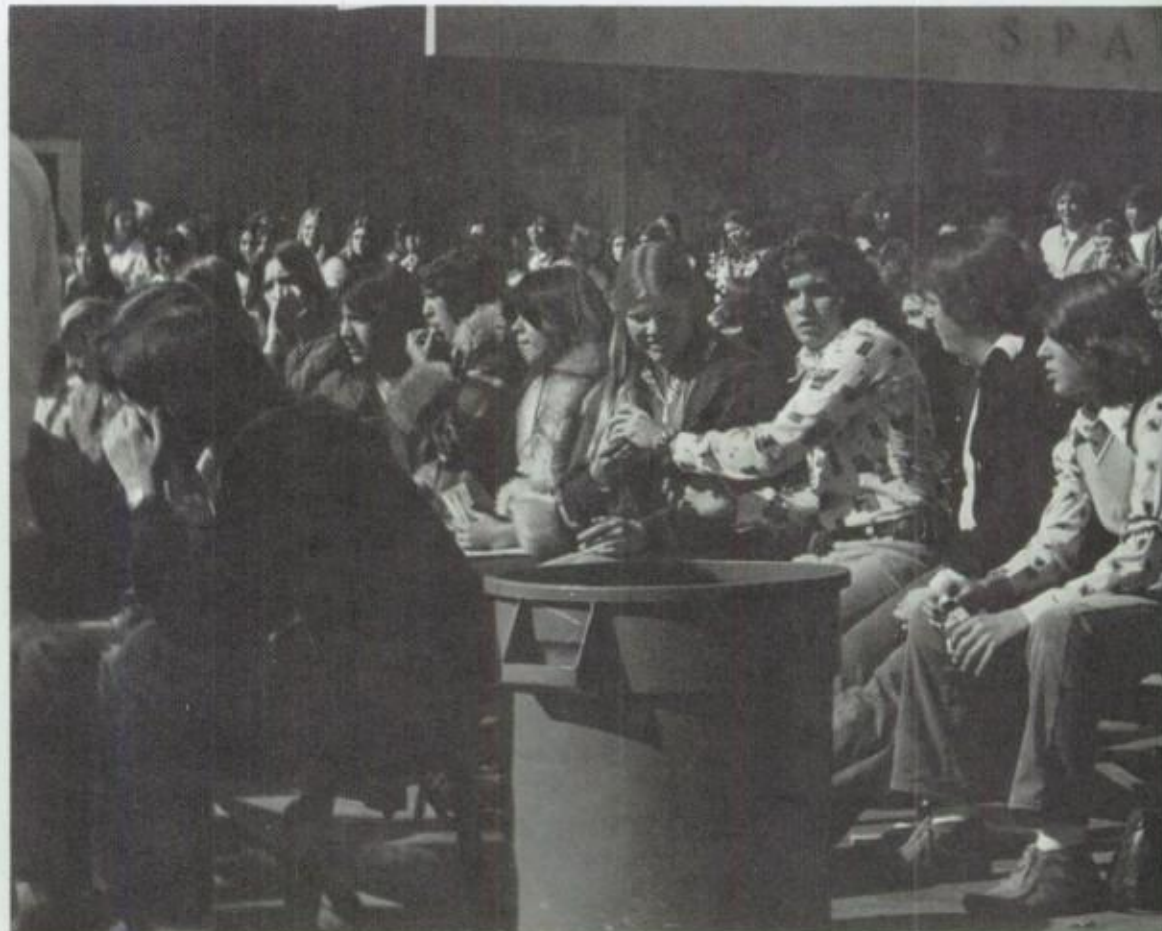

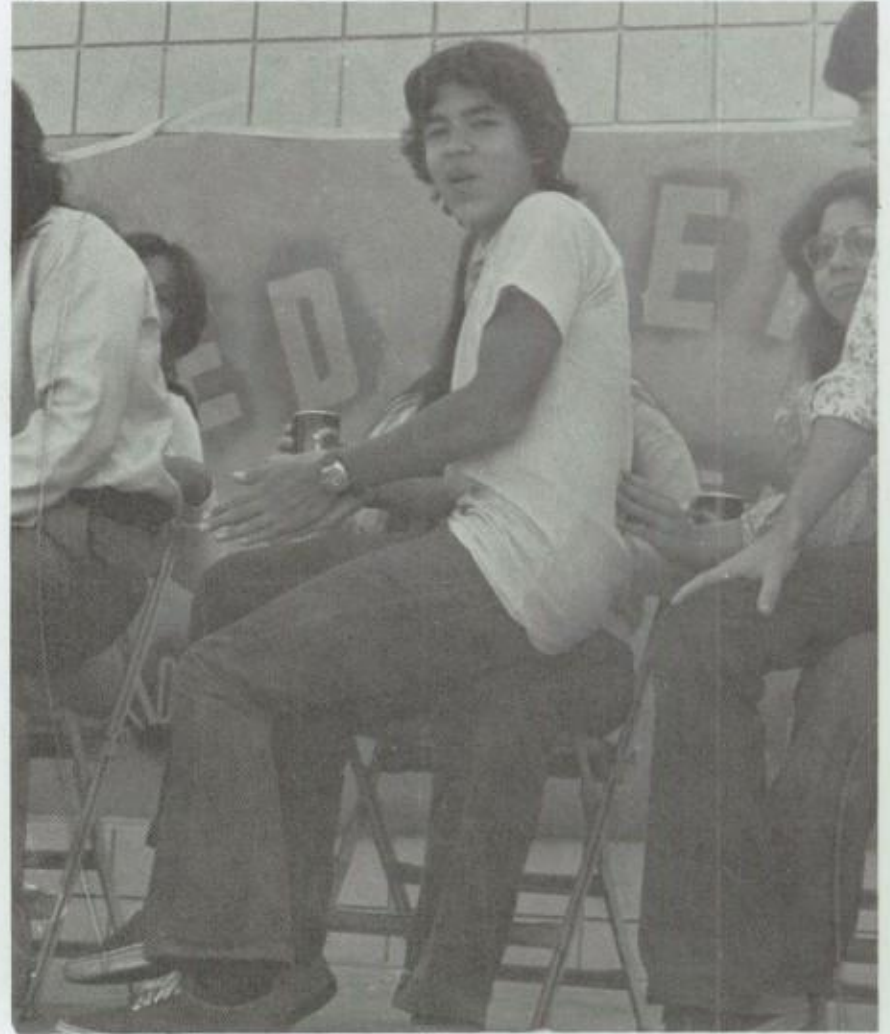

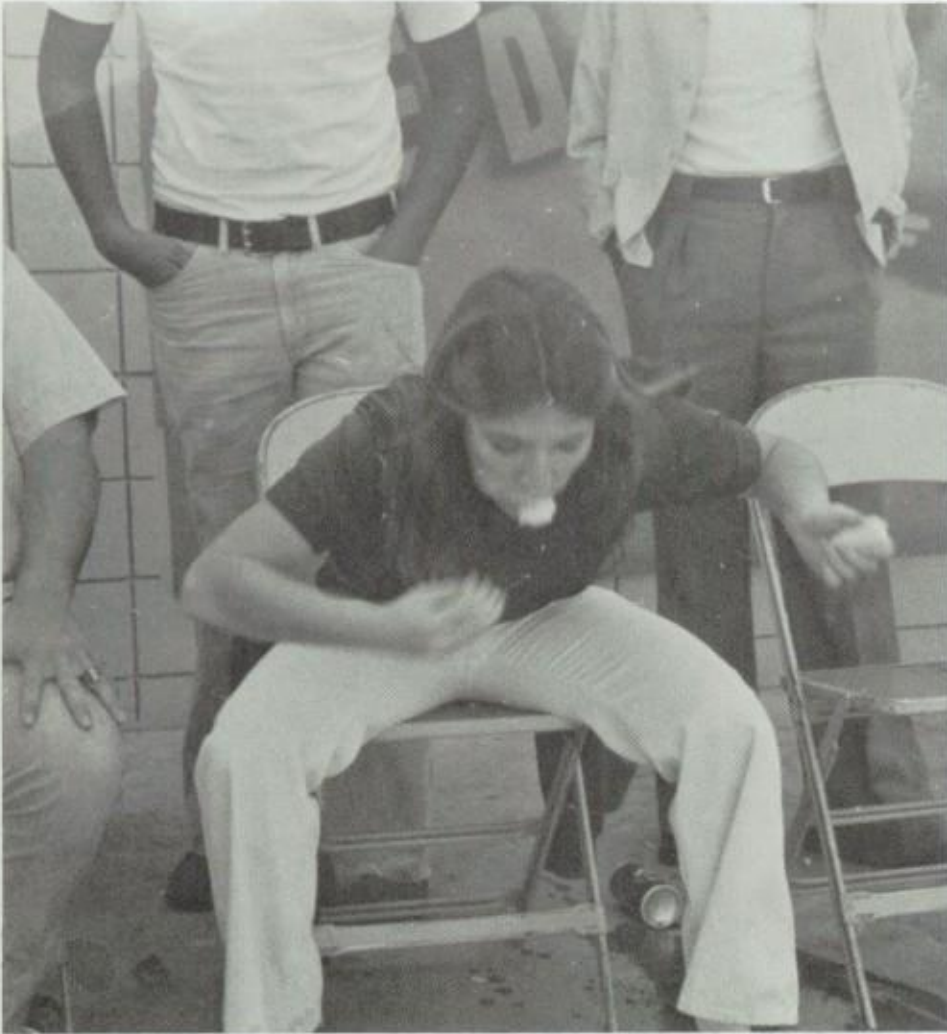

FEIFFER'S PEOPLE

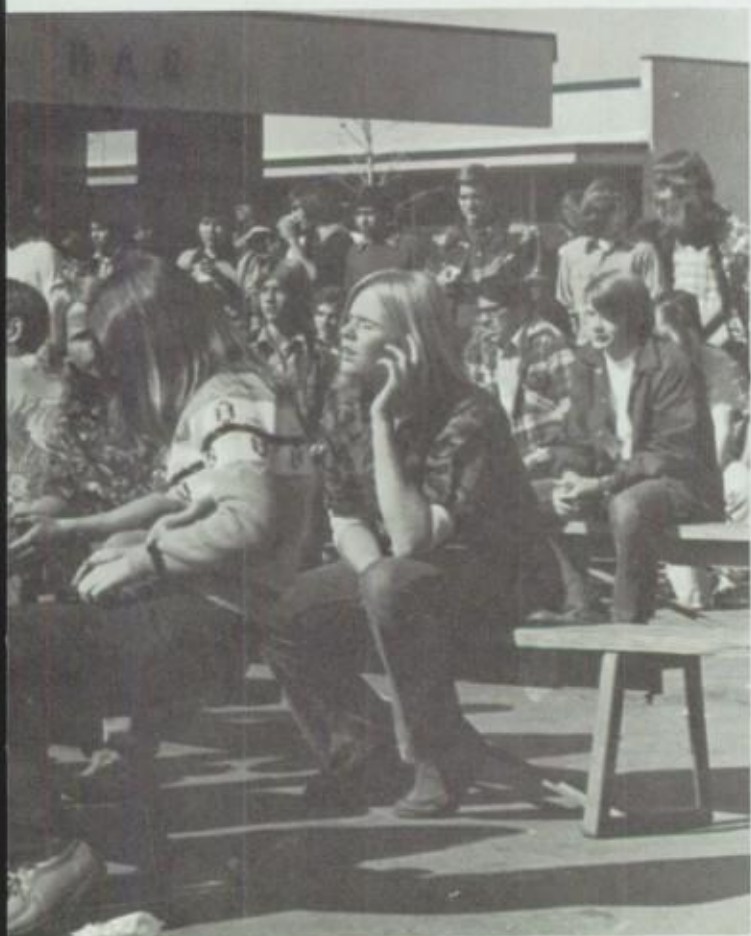

Adding to the hilarious double feature was the play, "Feiffers People". This type of play was truly revolutionary to the students of John Glenn. This particular show contained eleven people sitting in chairs with nothing but blank stage behind them. This brilliantly illustrated production shows the comedy and pathos of ordinary everyday people's lifestyles. The entire show was bits and pieces of comedy and tragedy, and was heralded as a true success. It was definitely a night to be remembered by all.

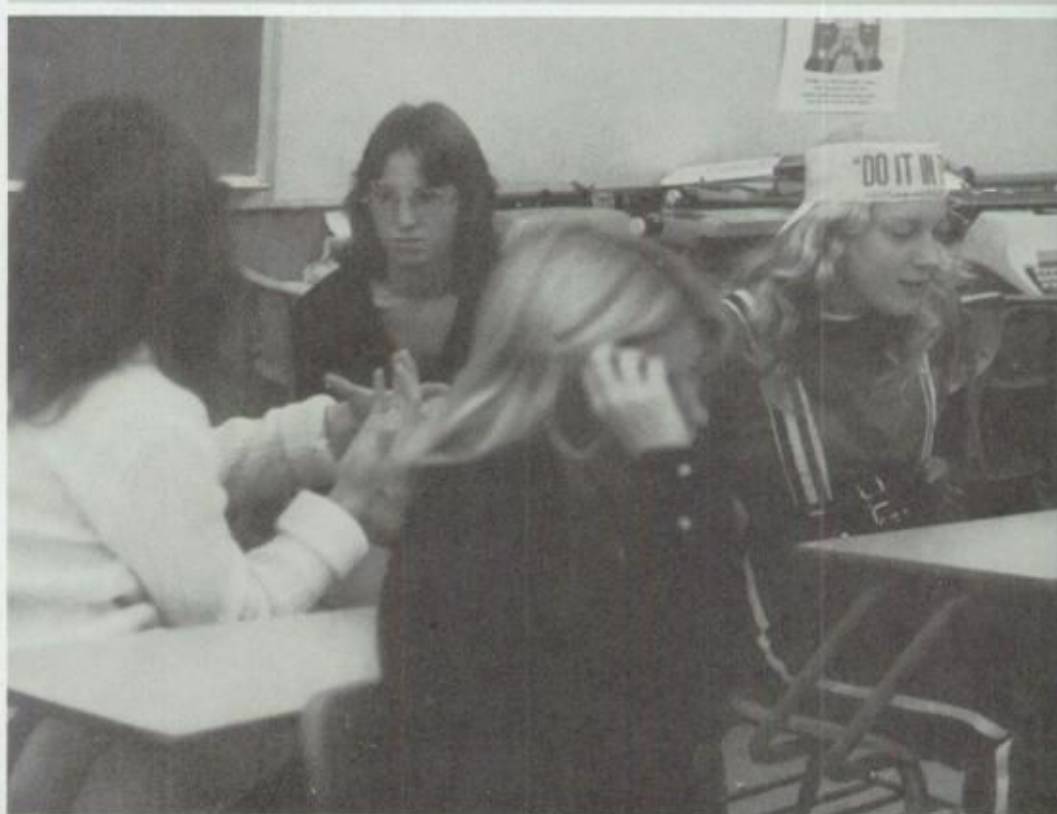

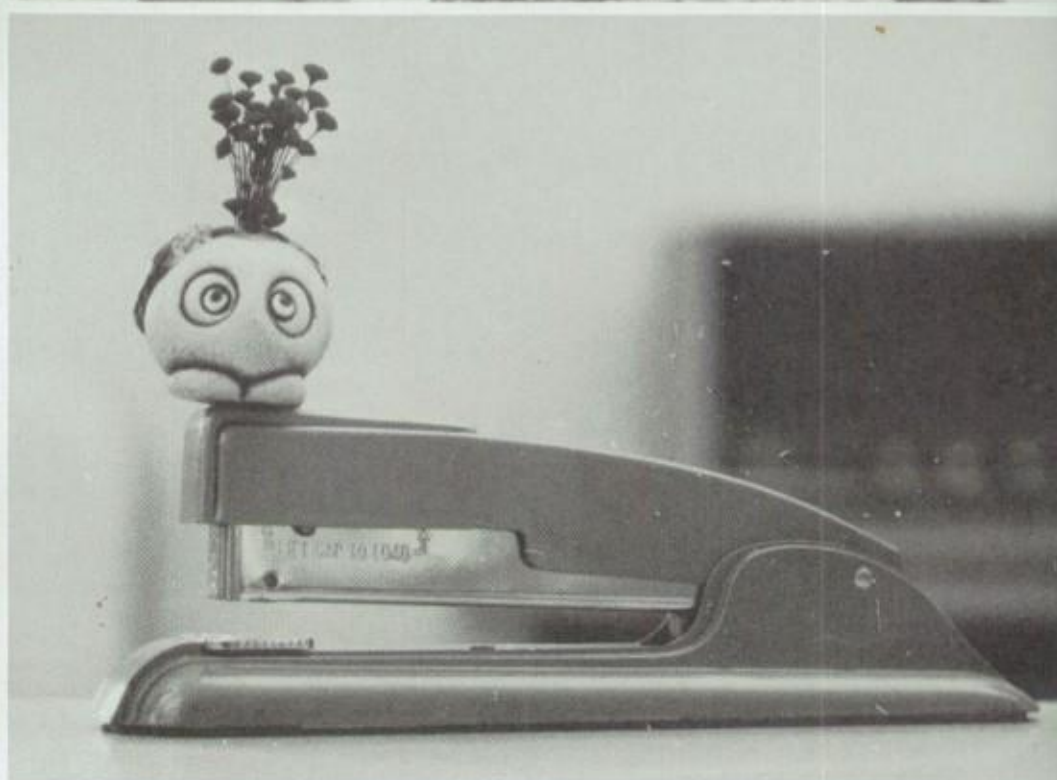

SPIRIT WEEK

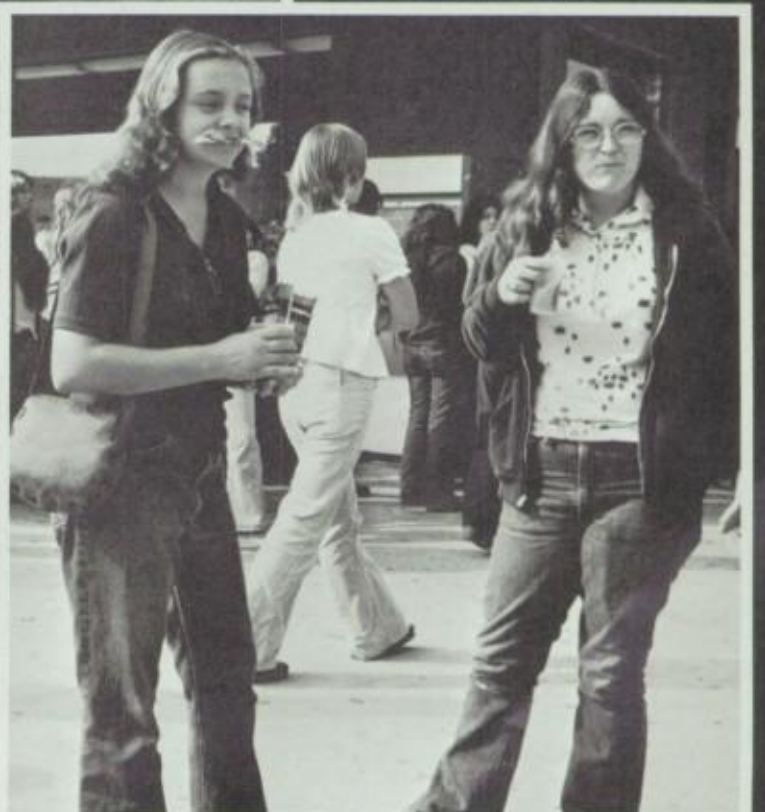

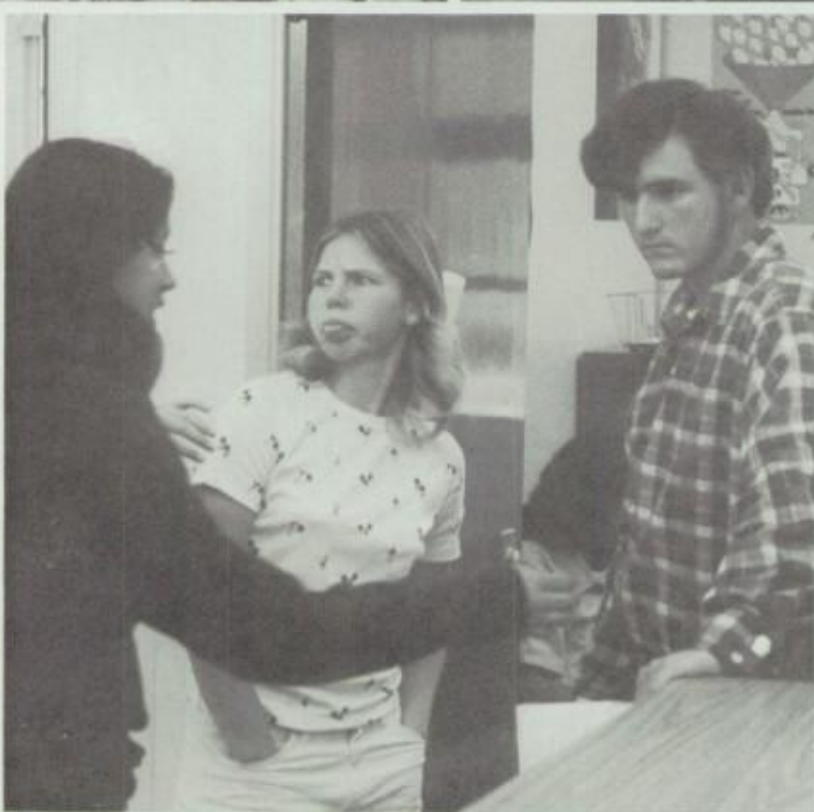

Even though mother nature turned against us, the spirit of John Glenn students shown through the clouds like a silver lining.

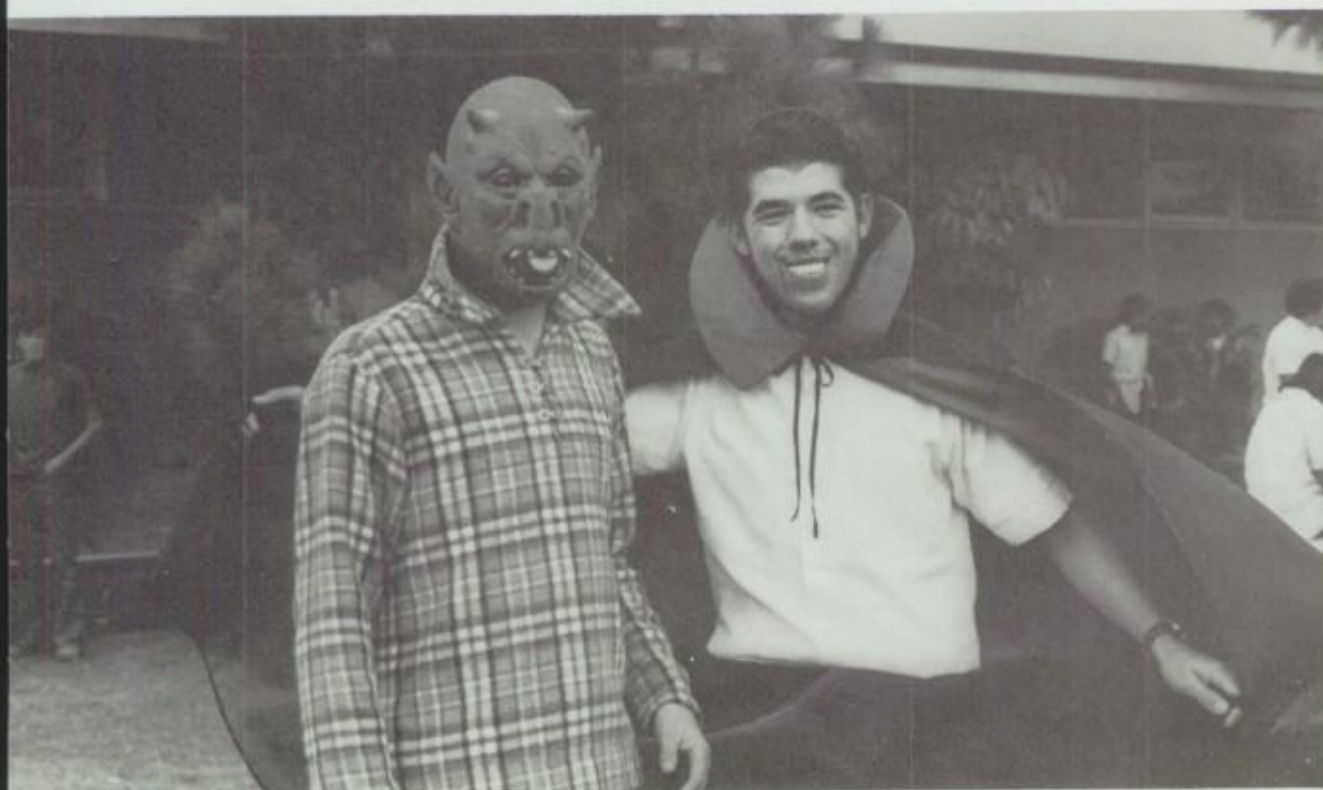

EAGLES IN ACTION

"I am deathly weary of the
role, my friend,
but I will play it."

ALICE IN WONDERLAND

Children's Theatre this year is again bringing joy and fantasy to children of all ages. "Alice in Wonderland" is a favorite show amongst the little ones. All the bright and colorfully wild costumes enthralled not only the youngsters but their teachers and principals as well. The time to travel each year brings a new experience to our John Glenn troupe that will stay with them for many years to come.

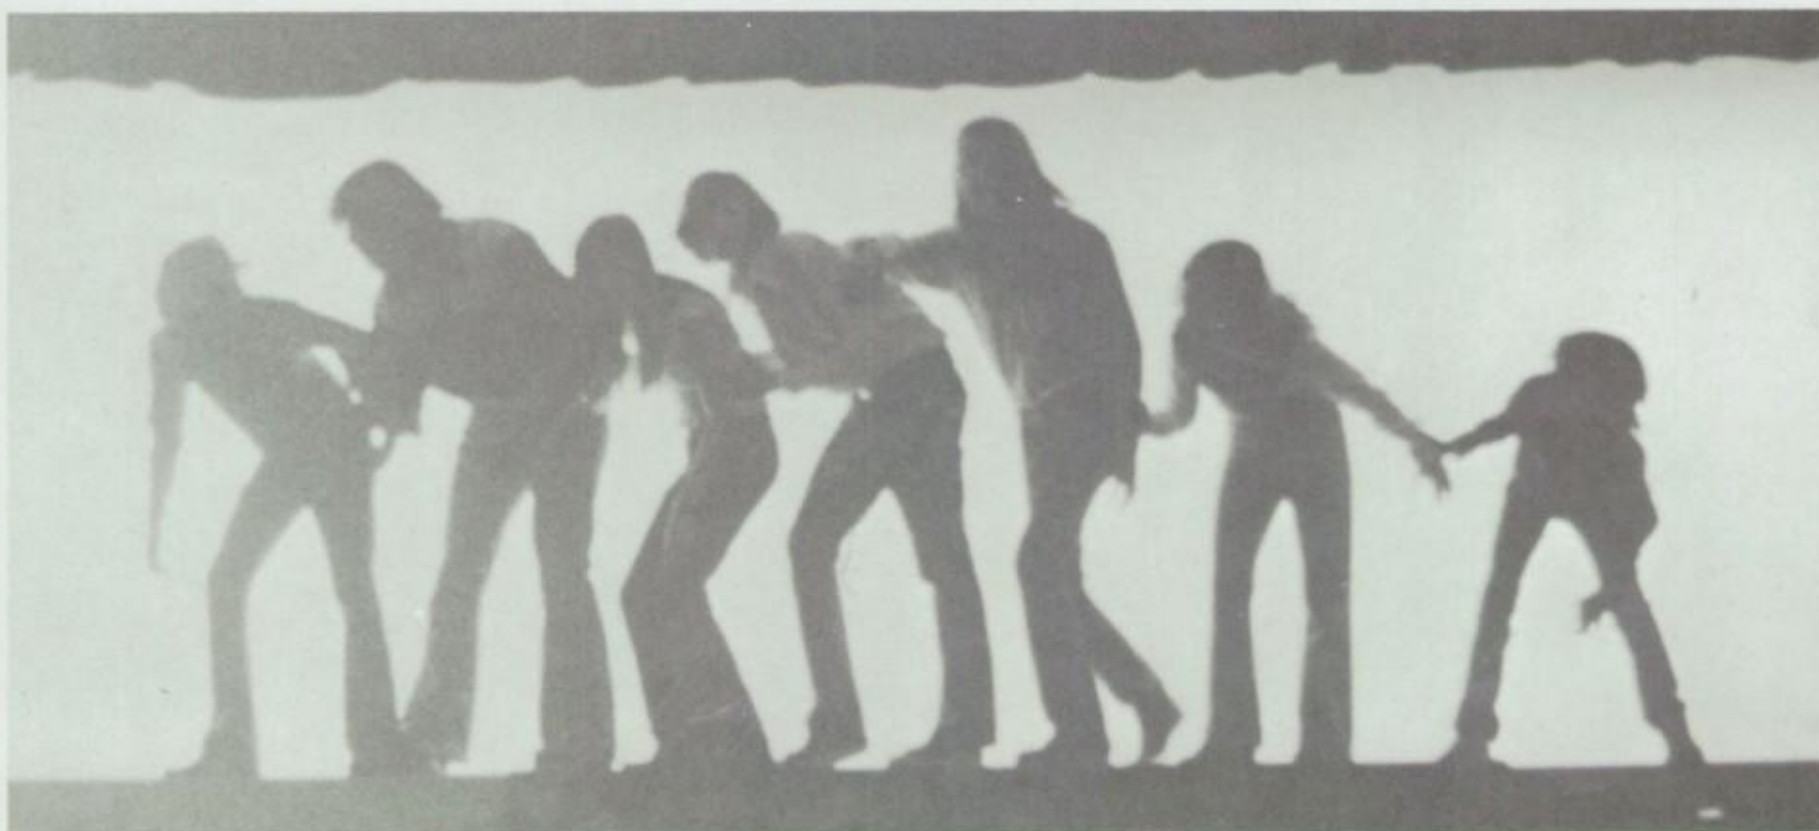

STORY THEATRE

You ask, "What is STORY THEATRE?" It's Folk rock fables! This Broadway show is unique in itself for it relates the Tales of the Brothers Grimm for adult audiences. Children step aside, fairy tales are for adults!

With the combined efforts of Mr. Del Fante and his musicians and Miss de Julio and her actors, this show will be remembered as one full of fun, talent and great rock. Everyone will find a story they like in STORY THEATRE. There are ten fables ranging from "Henny Penny" and "The Master Theief" to the finale show "The Golden Goose".

Robin,
 I really don't

SPORTS

Thus I must travel in life, not vicariously, but I must master my own soul before I study the universe, for I believe there are universal truths that all men can live by entertaining harmony and balance. We must realize the precious consciousness of our existence, absorbing as much of life as we can, that the magnitude of our giving will become an inspiration to ourselves. Our mind gets sick without exercise just like our body. Our thoughts become stagnant unless they become actions. And we can only know good by training as hard in goodness as a champion trains for his sport!

There are countless paths of knowledge
There are many ways to give
There are endless hopes to dream of
There is only one life for us to live

Don't waste your time in sorrow
jealousy or pain
pity envy depression
or things that are the same

Every year that we get older
more often you hear people say
I wished I would have, I should have done
I just wasted another day.

FACULTY

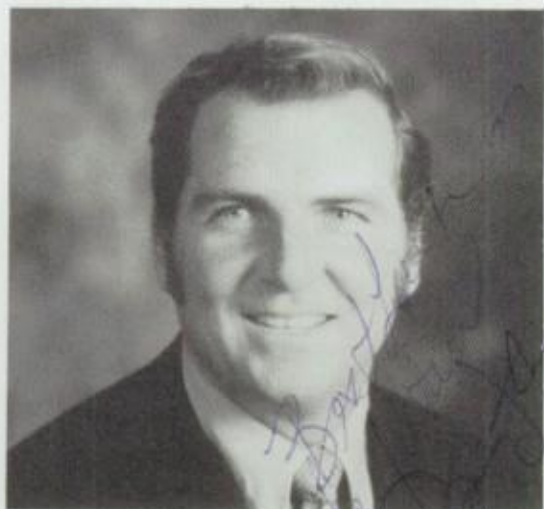

John Glenn High School, its faculty and administrators are dedicated to the world of knowledge like a library of books waiting to educate.

We, the students are here to use these vessels of wisdom (books). Some of which are old and worn from constant use, while others are fresh off the press. Some are fat and others are thin, they come in all shapes and sizes. The ones with soft covers are often times very impersonal. Each tells a different story and in the end we write our own encyclopedia.

But best of all, you don't have to worry about overdue fees because you can never overdraw from John Glenn's infinite source of instruction, guidance, and preparation for tomorrow's world.
